RECORD OF PROCEEDINGS

of the

One-Hundred and Seventh Annual Session

of the

UNION BAPTIST ASSOCIATION

October 24	**Hamilton Cross Roads**
October 25	**New Salem**

Morning Session, October 24

The one hundred and seventh annual session of the Union Baptist Association was called to order, at 10 a.m. by Moderator, J. Dewey Hobbs, Jr.

Carroll Davis, pastor of Lee Park Church read Bible passages from Matthew 18: 10-14 and Matthew 19:20 and led the opening prayer.

R. V. Greer, pastor of Marshville Church, made a motion that all registered messengers constitute the 107th session of the Union Baptist Association of North Carolina for the transaction of business. The motion was adopted.

The election for Clerk was the first matter of business at which time the name of John A. Bivens was presented by B. R. Wallace. Mr. Bivens asked that his name be withdrawn. Glenn Rushing made a motion that Mr. Bivens be considered despite his request. R. V. Greer made the motion that Mrs. John A. Bivens be elected as Clerk, which motion carried.

The following new pastors were recognized: Cecil Broome, Mary Elizabeth Church; Wayne Blanton, Secrest Grove Church; L. F. Helderman, Mt. Pleasant Church; Julius W. Digh, Sandy Ridge; T. A. Sheppard, Sardis Church.

Associational Field Worker P. E. Jones gave the report of the Executive Committee and presented the following Associational officers; Training Union, B. L. Connell; Music, Oliver Yost; Brotherhood, C. E. Perry; Woman's Missionary Union president, Mrs. J. Howard Williams; Sunday School, Carroll Davis. This report was approved and accepted.

The Moderator made the following recommendation. "The churches that have applied for membership, in the Association continue under the watchcare for the next 12 months. That the

minimum requirement for any church to have membership should be two years, as a constitutional change." (He explained that this restriction does not give voting privileges but the churches can participate in discussions.)

In the period given for discussion C. E. Sigmon, pastor of the Faith Church, which is under watchcare, presented reasons why this church was anxious to come into full membership. J. L. O'Quinn, pastor of the Mill Creek Church asked that the Association consider, in connection with the new churches, those now in the Association that are not supporting the program.

The motion carried for having a two year period of Associate membership.

A vote to elect the Clerk at the close of the annual session and for the acting clerk to serve through the annual meeting, was accepted.

Field Worker, P. E. Jones, read the report of the work done under his direction and expressed gratitude to the membership for their co-operation and help in making the year one of the best ever recorded. He announced the Association survey which is planned for next Spring and the Sunday School Enlargement campaign planned for September, 1962, and encouraged all churches to participate. His report was accepted.

C. A. Francis, pastor of the Monroe First Church, as chairman of the Constitution and By-Laws Committee read the recommended changes in the Constitution. These will be read and voted upon on the second day.

John A. Bivens, chairman of the Finance committee commended the churches on their support of the Associational Missions work and called attention that, with one exception, all of the 57 churches had contributed to the work during the year. This report was accepted.

Following the congregational hymn singing, and due to the time limit, the Moderator asked that his message be postponed until after the Organizational reports in the afternoon session. This request was granted.

The Wingate College Men's Chorus, under the direction of Miss Helen Board with Oliver Yost as accompanist, rendered two beautiful selections preceding the announcements by the pastor of the host church, F. E. Baucom, who extended a cordial welcome.

B. R. Wallace, pastor of the Pleasant Hill Church, brought the morning message taken from Matthew 7: 24-29 and forcefully called attention to the evidences of cracks that appear in the Christian principles in our homes, schools and churches with the challenge to hold true to our Christian faith.

The moderator led the closing prayer in which gratitude was expressed for the food to be enjoyed.

Afternoon Session, October 24

Oliver Yost brought the opening afternoon period of Scripture and prayer. Mr. Yost also expressed appreciation for the co-operation of the churches in trying to help in having better hymn singing. The report of the work done, under his direction, was heard and accepted as the report.

Winfred Starnes, retiring Sunday School Superintendent, gave the Sunday School report and it was accepted.

Billy G. Gill, retiring Training Union Director, called attention to the report of this phase of work in the printed advance report which was accepted.

C. E. Perry, president of the Brotherhood, gave the report of his work and solicited the prayers and support. This report was accepted.

Mrs. J. Howard Williams, incoming president, gave the report of Woman's Missionary Union and introduced Mrs. Henry W. Gamble, State W.M.U. vice president and former President in the Association. Mrs. Gamble brought an inspiring and challenging message on the cause of missions and the part each one has in its promotion and work.

J. Dewey Hobbs, Jr., pastor of Wingate Church, and Moderator of the Association brought a most timely message as he tried to promote thought and answers to the question, "What is an Association?" He stimulated a better understanding of the working together of churches in a united, voluntary way and the necessity for co-operation of churches.

Lewis McLean, pastor of Shiloh Church, gave the report on Evangelism and announced the Evangelistic Clinic to be held January 19.

J. W. Digh, pastor of Sandy Ridge Church, referred to his advance report, in the book of reports. He expressed gratitude

to all who had expressed love and sympathy during his hospital experience, due to an automobile accident.

Wyman Bolin, pastor of Philadelphia Churh, gave the report on Christian Education and recognized Mrs. Budd E. Smith, who spoke to the report. Representatives from Gardner-Webb and Mars Hill Colleges were also recognized and had a few words to say.

Following a congregational hymn words of appreciation were expressed to the host church. The benediction was pronounced by the Moderator.

There was an attendance of 500 for the first day's session.

nized for announcement. He extended cordial words of welcome.

Oliver Yost, head of the Wingate College Music department, led the congregation in singing, "My Hope is Built." A Men's Quartet, from Wingate College rendered two selections.

The Annuity report, prepared by J. D. Tucker, pastor of Hopewell Church, was spoken to by the Rev. Tom Greene, state representative, who appealed to all churches to help their pastors use this protective plan. Report adopted.

The Co-operative Program of giving, "the best system for the support of God's work throughout the world," said R. V. Greer, who prepared the report and presented Harold Cole, Secretary on Christian Education for the State Convention, who spoke to the report, which was adopted.

The closing prayer included words of gratitude for the food to be enjoyed at the noon hour.

Resolutions of gratitude and appreciation to the host churches, the program committee and to those participating on the program were read by the chairman, Wyman Bolin and accepted by a rising vote of thanks.

It was the consensus of opinion among local people and visitors that the spirit of unity, the well planned program and the advanced reports placed in the hands of the messengers, helped to make this one of the Association's best annual meetings.

The Moderator presided over the closing business session at which time the Amendments to the Constitution and By-Laws were read by the chairman, Rev. C. A. Francis and accepted.

CONSTITUTION
OF THE
UNION BAPTIST ASSOCIATION

Article I — Name

This body shall be known as the Union Baptist Association of North Carolina.

Article II — Purpose

It shall be the object of this Association to promote the Kingdom of God on earth in compliance with New Testament principles, and in co-operation with the Baptist State Convention and the Southern Baptist Convention. It shall also devise and promote measures for increasing the harmony, intelligence and spiritual power of the churches.

Article III — Membership

The Association in the transaction of business, shall be composed of the pastors of the churches constituting it and the duly elected messengers of the churches. Each church shall be entitled to three messengers for the first hundred members or fraction thereof and one for each additional hundred. No church shall be entitled to more than ten messengers.

Article IV — Powers and Prerogatives

1. The Association shall have no right to infringe upon the sovereignty of the churches. All the churches constituting the Association remain soverign and independent bodies. It may advise the churches, and recommend measures for their adoption, but cannot bind them in any way. However, it may justly claim for itself, for its objects, and for its recommendations the very highest consideration and regard.

2. The Association may at any time dissolve connection with any church that becomes heterodox in doctrine or disorderly in practice or that fails to represent itself either by messengers or letter for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. This cause fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body. The Co-operative Program shall be the recommended means for the support of Convention objects.

Article V — Duties of the Church

It shall be the duty of each church to appoint as far as practicable capable and efficient members as messengers—to insist upon their attendance and to send with them a contribution toward the expenses of the Association, the printing of the Minutes and such other items deemed necessary by the Association.

The churches shall send annually a letter to the Association giving full statistical information and facts concerning their general wel-

fare. These letters shall be sent to the clerk as soon as possible after the end of the Associational year.

Article VI — Reception of Churches into Fellowship

The Association shall be sole judge of its membership and may receive or reject churches applying for membership therein at its pleasure. Orthodox and orderly churches petitioning by letters from another Association of Missionary Baptist Churches, or newly organized Missionary Baptist Church desiring membership and presenting their articles of faith, shall be welcomed, provided: the churches making request for admission shall agree to come under the watch-care of the Association for a period of at least two years. The letters of petition shall be submitted to the Associational Missions Planning Committee. This committee shall ascertain the facts regarding scriptural organization and orderly practice of the church, and evidence of missionary and beneficient fervor in its work. The Mission Planning Committee will receive written quarterly reports from the church. If found satisfactory, the committee shall at the next annual meeting of the Association recommend its reception. If not found satisfactory at the end of the two-years of watch-care, the committee shall continue to work with the church toward its admission into the fellowship. Upon the recommendation of the committee the Church shall be admitted to membership upon a three-fourth vote of the members present. It is understood that during the period of probation such church or churches shall be entitled to all rights and privileges of the Association except that of voting.

Article VII — Officers

The officers shall be a Moderator, Vice-Moderator, Clerk, Treasurer, Historian, Field Worker, Training Union Director, Sunday School Superintendent, Brotherhood President, Music Director, Woman's Missionary Union President and such other officers as may be deemed necessary.

The Moderator, Vice-Moderator, Clerk, Treasurer, and Historian shall be nominated and elected from the floor.

The Training Union Director, Sunday School Superintendent, Brotherhood president and Music Director shall be selected by the Nominating Committee of each organization, when they select their slate of officers to be and that these officers be approved by the Association Executive Committee in September, and that these officers be subject to the approval of the Association at its annual meeting.

The Woman's Missionary Union Superintendent shall be elected by her organization.

These shall be elected annually; their terms of office shall commence at the conclusion of the session in which they are elected: the term of service in each office will be limited to a period of three (3) successive years, except for the Moderator and Vice Moderator. Their tenure of office shall be limited to two (2) years. The tenure of office of the Field Worker shall be based on an indefinite call.

An exception is made in the case of the President of Woman's Missionary Union, whose tenure of office will be limited to a period of five (5) successive years.

These officers shall make written reports to the annual meeting, when called upon.

Article VIII — Duties of Officers

1. It shall be the duty of the Moderator to open the meetings punctually at the time appointed, to enforce the rules, to preserve order, and to exercise all the prerogatives of a presiding officer according to the principles of established parliamentary usage. He shall appoint the following committees: Place and Preacher and the Resolutions Committee. The Moderator shall be ineligible for more than two one-year terms in succession.

2. It shall be the duty of the Vice-Moderator to discharge the duties of the Moderator in his absence.

3. It shall be the duties of the Clerk to keep a faithful record of the proceedings of the body, and use all diligence in having same printed and distributed to the churches as soon as possible; to mail to the church clerks forms of the annual letters, and to keep on hand the printed Minutes and other important documents belonging to the body. Executive Committee Report

The Executive Committee met four times during the Associational year 1960-61.

The first meeting was held on December 13, in the First Baptist Church of Monroe, at 7:30 p.m. with 27 churches answering the roll call.

J. Howard Williams, Treasurer, reported a bank balance of $764.15. He urged churches to send their contributions in monthly or quarterly.

C. A. Francis announced that three courses in the Seminary Extension work were taught during the first semester, and that two courses would be offered during the second semester

Oliver Yost, Associational Music Director, submitted the following names for workers in the Music Department. F. E. Baucom, Wyman Bolin, Mrs. John D. Rollins, Mrs. Charles R. Tucker, M. T. Gales, and Mrs. F. L. Dixon. The Committee assured Mr. Yost that these people could serve with their blessings.

Lewis F. McLean, Chairman of Evangelism, recommended that March 20-April 1, be Simultaneous Jubilee Revival dates in the Association instead of March 19-April 2. The recommendation was approved.

The second meeting of the Executive Committee was held on March 13, at the First Baptist Church of Monroe at 7:30 p.m. There were 37 churches represented.

Several announcements were made concerning dates of the five Associational departments, and the churches were urged to encourage their workers to take advantage of Associational training opportunities.

The third Executive Committee meeting was held on June 13, in the Wingate College Cafeteria, with Dr. and Mrs. Budd Smith as host and hostess. There were 35 churches represented at this meeting.

A delicious meal was served with the Baptist State Convention taking care of the cost.

J. Howard Williams, Treasurer, reported a bank balance of $331.70.

P. E. Jones, Field Worker, recommended a new and uniform grouping of the churches in the Association. Printed copies of the proposed grouping were passed out, and after the grouping arrangements were explained the Committee approved the plan.

Dr. Budd Smith told of the challenge of Mr. Charles Cannon in offering $150,000 to Wingate College on condition that said amount be matched by others. Dr. Smith urged the churches to give $1.00 per member to Wingate College on Father's Day.

Ernest C. Upchurch, Secretary of the Church Development Department of the Baptist State Convention presented some Long Range Plans for the churches in the Association. The plans were discussed and the committee commended the plans to the churches.

The fourth meeting of the Executive Committee was held on September 12, in the First Baptist Church of Monroe at 7:30 p.m. There were 33 churches represented at this meeting.

J. Howard Williams, Treasurer, reported a bank balance of approximately $500.00.

John A. Bivens, Chairman of the Finance Committee, presented a recommended budget for 1961-62 in the amount of $9,923.76. The Committee voted to recommend the budget to the Annual Association for approval.

C. A. Francis announced that the Seminary Extension classes would begin on September 26, with two courses being offered. He stated that the courses would be taught by Dr. Charles R. Tucker and Rev. J. Dewey Hobbs, Jr. He also gave the hours of the class meetings as 7:00 to 9:00 p.m. and the dates as each Tuesday for 9 weeks.

P. E. Jones, Field Worker, announced dates for the Associational Survey and the Sunday School Enlargement Campaign.

Recommendations from the Missions Planning Committee

1. That the four churches under the watchcare of the Association be continued under the watchcare for the next 12 months.

2. That the minimum watchcare period for a church requesting admission into the Association be extended from one to two years.

(The first recommendation was adopted and the second referred to the second day for action as a constitutional amendment.)

Report of Field Worker

The first thing I wish to do in this report is to thank the fine people who comprise the Union Baptist Association for the warm and cordial reception given to me and my family during the first full year in the Association.

The second thing I wish to do is to express my appreciation for the splendid cooperation of the churches and pastors. This, *COOPERATION,* is the key to progress, promise and promotion in our local churches and Association.

The third matter I wish to mention is that of the work of Associational officers and workers. Our officers and all the workers in the five departments have given their best in the promotion of God's cause here in our Association, and for that they are to be commended.

The fourth matter I wish to report on is that of our Associational workers for the year 1961-62. They have been enlisted by faithful

nominating committees and we feel confident that our entire Associational program will be in good hands during the new year.

Our calendar of activities for 1961-62 will include two Associational-wide campaigns. During the dates February 23-March 2, we shall attempt to enlist our churches in a Church-Community Survey. Then during the dates September 16-21, we shall be carrying out Pastor-Led Sunday School Enlargement Campaigns in our churches.

I wish to conclude this report with the following summary of my labors for the year just ended:

Visited each of the 57 churches at least twice.

Delivered 89 sermons and talks.

Conducted several prayer meetings and taught several Sunday School lessons.

Helped ordain deacons in three churches.

Conducted six installation services.

Promoted and helped conduct Associational Vacation Bible School Clinic.

Published and mailed 7,000 bulletins

Mailed out over 4,000 cards and letters.

Attended 16 conferences and conventions outside the Association.

Taught study courses in several churches.

Held 90 conferences with individuals—63 conferences with groups —worked with 45 committees.

Many hours have been spent in the office preparing material, typing, mimeographing, studying, planning, and using the telephone. Moreover, travel has claimed its share of the time.

We stand now on the threshold of a new year. May we use it for the glory of God.

Respectfully submitted,
P. E. Jones

Report on Constitution And By-Laws

The Committee on Constitution and By-Laws recommends the following constitutional changes:

1. In Article IV—Powers and Prerogatives, p. 11, section 1, the words "rights of usefulness" be dropped since they have very little meaning.

2. In Article VII—Officers, the first, fourth, and sixth paragraphs refer to the "Woman's Missionary Union Superintendent." The word Superintendent is obsolete. We recommend that the word be changed to read "President" so as to keep proper terminology. Also, the same change is to be made in Article IX, Executive Committee, paragraph 1, pertaining to "Woman's Missionary Union."

3. In the third paragraph of the same Article (VII), we recommend that the office of "Music Director" we inserted after "Brotherhood President," so that it would read: "The Training Union Director, Sunday School Superintendent, Brotherhood President, and Music Director shall be selected. . . ."

4. In the same paragraph, we recommend that the Association Organizational Leaders be approved by the Association Executive Committee in September rather than at the Annual Association in October in order that these officers may begin their work at the beginning of October. The last part of paragraph three would read: "and that these officers be approved by the Association Executive Committee in September."

5. In paragraph five of the same Article (VII), we recommend that the unit organizational officers be limited to a period of three years instead of two. The change would read: "the term of service in each office will be limited to a period of three (3) successive years."

6. In Article VIII—Duties of Officers, paragraph 1, we recommend that we omit the word "time" relative to "time, place and preacher," in that the time is set each year by the Association.

7. In the same Article (VIII), paragraph four, we recommend that the following words be added at the close of the paragraph: "in addition to periodic reports to the Executive Committee during the year."

8. In the same Article (VIII), we recommend adding paragraph ten to read: "it shall be the duty of the Music Director to promote the interests of the Music Program in the churches of the Association, and to make an annual report of the work accomplished."

9. In Article IX—Executive Committee, paragraph one, we recommend changing the word "Brotherhood Chairman" to read "Brotherhood President" so as to be in keeping with right terminology, that the words "Music Director" be inserted after "Woman's Missionary Union President."

10. In Article X—Duties of Committees, paragraph on Children's Homes, we recommend changing the word "Orphanage" to "Children's Homes" so that the paragraph would read: "to keep the churches informed concerning the needs and progress of the Children's Homes and promote the interest and welfare of them.

11. In Article XIV—Time of Annual Meeting, paragraph one, we recommend that we delete the words "if possible."

12. In Article XV—Wingate Junior College, we recommend that the words "and operates" after the word "owns."

Respectfully submitted,
C. A. Francis

Sunday School Report

The Sunday School for 1961 has been both encouraging and discouraging. We have put forth an effort to show to the churches the great need of evangelism. The workers have shown a great interest in the Associational work, and I wish to thank every one who had a part.

An Officers' and Leaders' Clinic was held at Benton Heights Church in October, 1960. Mr. James D. Furr, Sunday School Superintendent in the Cabarrus Association, showed a filmstrip on Associational Sunday School work.

Four Sunday School meetings were held during the year with good attendance and a fine spirit of cooperation.

We do not have a report of the churches having January Bible study, but we hope most of our churches did.

Forty-nine churches reported Vacation Bible Schools and we consider this to be an excellent report.

I am hoping and praying that the Sunday School for another year will be greater than ever and that much effort will be put forth to

see our Sunday School grow. Let us keep in mind the great command of our Lord and Saviour Jesus Christ.

Respectfully submitted,
Winfred Starnes

Training Union Report

The Training Union has seen another good year with those participating in the Training Program of our churches. We have not had as many new Unions organized as we had hoped for but those who have worked and trained have, I am sure, received a blessing from Baptist Training Union.

Let us hope that during the coming year we will, "Study to show ourselves approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth."

Our meetings have been held in keeping with the recommended schedule and our attendance has been good. We have had the following meetings:

1. Three Executive Committee meetings.
2. Four Officers and Leaders Conferences.
3. Three Mass Meetings.
4. One clinic for Church Officers and Committees.
5. One Mobilization "M" Night.
6. Numerous Study Courses throughout the Association.

Respectfully submitted,
Billy G. Gill

Brotherhood Report

The Brotherhood work in the Union Association this year has been very interesting with much enthusiasm and a desire to help the cause of Christ being shown by the staff of workers.

We had four Associational meetings and they were all well attended with the exception of one, and this was due to conflicts.

At one of our meetings a very inspiring program was presented by three of our ministers on "Correct and Incorrect Approach to Soul-Winning."

We had at another meeting a most challenging appeal by Dr. Budd Smith on "Our Living for God and the Betterment of Mankind in Our World Today."

In still another meeting we had some of our young laymen to bring most interesting and inspiring addresses on "Christian Stewardship." Election of officers for 1961-62 followed these addresses.

The highlight of our year's work was our supper meeting held at Forest Hills High School Cafeteria on September 15, when our R. A. Leader, Mr. Kenneth Steele presented the R. A.s in a short program showing some of the results of his and his helpers efforts to inspire and lead the boys in the correct avenues of life. He presented awards to the different groups, after which the Brotherhood presented a plaque to Mr. Steele in recognition of his outstanding service with the boys.

We also had a delayed workshop this year which was very well attended.

There were several new Brotherhoods organized during the year and some old groups revived.

The most urgent need is for more enthusiasm on the part of pastors, deacons, and laymen. This is necessary if we are to meet the challenge before us. Several donations have been mailed to the State office on the R. A. Camp. The fields are ready for harvest. Let us move forward for our Lord.

Respectfully submitted,
C. E. Perry

Report on Associational Music Department

Dedicated to the task of helping the churches of the Union Association to utilize more effectively their resources in music to the glory of God and in the service of Jesus Christ, the music officers of the Union Association met the night of January 19, 1961, for a training-planning meeting which was led by Brother Joe Stroud, State Music Secretary. Brother Stroud sharpened our vision and fanned the fires of our enthusiasm as he spoke out of his wide experience of the power and growth of the music ministry in the churches in our State Baptist Convention in recent years. He expressed his belief that the Union Association could have an effective music ministry in a year or so, realizing that the first year a new committee serves is a time of becoming acquainted with the work and with the music leadership of the local churches.

It was decided to plan a Hymn Sing as our first Associational meeting. Brother Stroud spoke of the possibility of having Associational group schools in the winter or spring of 1962, with the Music Department of the State Convention providing leaders to work with local church leadership and Associational music officers in a week of music schools held simultaneously over the Association.

Our dominant aim for the year was to increase the awareness of our people of the value of an organized and working music ministry in the local church. (By the term "music ministry" we mean; that the local church elects a person to lead the music program, that the church has at least one group which meets regularly and that the church use music to strengthen worship, education, and evangelism).

While we realize that the success of the Lord's work consisteth not in the abundance of meetings, we know that when God's people meet to plan, study, and fellowship together under the guidance of His Spirit, progress will be made. Atttendance and participation in the hymn sings were encouraging. Approximately 20 churches were represented at the first hymn sing, which was held in the beautiful new chapel-auditorium on the campus of Wingate College. The hymn sing on July 16 at the West Monroe Church was also a real blessing, although it was not so well attended—probably word did not get around that it is air-conditioned! A third sing was held at the Sutton Park Church October 15. A well planned and helpful

music conference was conducted May 9 in the Benton Heights Church, but attendance was very poor; a total of 13 people, including participants in the panel discussion. This type of meeting offers the most in the way of practical assistance for church music leaders, and it was a great disappointment to see how ill-esteemed was this meeting.

A music survey was taken, but only 27 of the 57 churches in the Association returned the Church Music Information forms.

Realizing the value of church music training on the local church level, Dr. Budd Smith, president of Wingate College, made available again this past summer the services of your Associational Music Director and Mrs. Charles Tucker, Director of Training, for a series of one-week music schools. Growing interest in, and appreciation for these opportunities for training in music reading at no cost to the local churches is indicated by the fact that six of these schools were conducted as compared to three in the summer of 1960. Schools were held in the following churches: Benton Heights, Olive Branch, Shiloh, Austin's Grove, Philadelphia, and Mount Pleasant. The Associational Music Ministry is most grateful to Dr. Smith for these opportunities to provide music training for so many churches.

Your Associational Music Director is most grateful for the support and encouragement of Brother Dewey Hobbs, our Moderator, and Brother P. E. Jones, our Field Worker. Serving faithfully as officers have been the following: Brother Flave Baucom, and Brother Wyman Bolin, as pastor-advisors, Brother M. T. Gales, Director of Congregational Activities, Mrs. Charles Tucker, Director of Training, Mrs. John D. Rollins, Director of Instrumental Activities, Mrs. F. L. Dixon, Director of Graded Choir Activities. Brother Jones also served unofficially in the capacity of Director of Publicity and Promotion, an office for which Brother Billy Gill has been nominated for the coming year.

A word of recognition and appreciation is also due those pastors, music directors, choirs, ensembles, and soloists who have supported the summer music schools, hymn sings, and other music activities.

Our objectives for the coming year consist of the following:

1. Increasing awareness and appreciation of the values and joys of participation in a church music ministry through hymn sings, carol sings, and music conferences.

2. Closer cooperation with local church music leadership through visits, music schools, and utilization of these persons in Associational activities.

3. Closer cooperation with other Associational organizations; i.e., Sunday School, Training Union, Brotherhood, and W. M. U.—giving assistance in providing music for meetings of these groups.

4. More practical assistance in planning Music Expansion Week and local church music leadership classes and music schools.

5. Promotion and encouragement of participation in District and State Choir Festivals.

Woman's Missionary Union Report

The Woman's Missionary Union is the Missionary organization of the church. It has as its purpose the promotion of Christian missions through a program of mission study, prayer, community missions, stewardship and missionary education of youth. This is a far reaching, world wide objective inspired by Jesus Christ who gave to us the commission, "Go ye therefore, and teach all nations. . . ." Matthew 28:19-20.

Every woman who relates herself to a Woman's Missionary Society is at the same time relating herself to this great world objective. Through W. M. U. we seek to develop an appreciation for all people and a deep concern for those who are lost. We endeavor to strengthen the spiritual life of our members and to lead them into experiences of Christian witnessing. We seek to magnify the spirit of Christian sharing through tithing, the support of the Cooperative Program and generous gifts to special offerings for foreign, home and state missions.

During the past year, under the able leadership of Mrs. W. A. Funderburk, we have noted increases and advancement in all areas of the work.

At present there are 46 churches with Woman's Missionary Societies, 18 churches with Young Woman's Auxiliaries and 25 with Sunbeam Bands. Roanoke Church has reported a new G. A. organized during the year. There are still 9 churches with no organized W. M. U. work.

Associational meetings held during the year include:

1. Leadership course in five two-hour sessions, with 28 Leadership cards awarded.
2. An accredited youth leadership course conducted by State personnel with 60 cards awarded.
3. An Associational Mission Study Institute.
4. Annual W. M. U. meeting at Philadelphia attended by approximately 200 women.
5. Pastors' Wives Dinner.
6. Association Mission Study Course taught by Mrs. Mitchiner, State Chairman.
7. Sunbeam Band Day Camp held at Shiloh Church, August 25. 26.
8. Associational Leadership Conference, September 28, with approximately 250 women attending.

Seven Associational officers attended the State W. M. U. Workshop at Fruitland, September 8-9.

We are honored to have our own Mrs. Henry Gamole, of Waxhaw, now serving as State W. M. U. Vice President. We covet the prayers and cooperation of the entire Association that His way may be known upon earth, His saving health among all nations.

Mrs. J. Howard Williams

Report on Evangelism

These are tremendous days in which we live. Billions are being spent for getting men to the moon, while comparatively little is spent for getting men to God. Multitudes sit in darkness and many in dispair while the forces of darkness move constantly in a dedicated abandon toward their objectives. The number of hopeless people—hopeless because they do not know Christ—grows daily. The world's population is increasing by 48,000,000 per year. All religions are winning only ten million per year.

Many of these lost people live in the territory of our Association. They live near our churches. In regard to their need for God they have been deluded by the powers of darkness, and numbers of them disillusioned by the apathy and lack of dedication to Christ on the part of professed Christians. In this desperate day God's people must wake up to the fact that "business as usual" will not suffice. Surely this is the time for total dedication to Christ in His purpose of winning the multitudes to God.

To move forward we must start from where we are. Our Association is the best launching place for new frontiers in evangelism and missions.

Therefore, we recommend:

1. That we encourage ourselves in the Lord our God for the resurging interest in evangelism across our Convention, continuously praying that God may work in us and through us to bring the revival we need.
2. That each church prayerfully and studiously consider participating in the Baptist Jubilee Revival, and that special emphasis in all revivals and week by week evangelism throughout the year be placed upon personal, face-to-face, heart-to-heart soul-winning and faithful teaching and preaching of the Gospel.
3. That all churches make full use of the Revival Plan Book for 1962-64 supplied free to all pastors by the Division of Evangelism, Baptist State Convention. Reprints of portions of the book are available for members of the Church Councils.
4. That our Association have an Evangelism Clinic following the suggested program supplied by the Division of Evangelism. The date for our next clinic is January 19, 1962.
5. That we commit ourselves to the following outline of achievement for 1962:
   a. CHAIRMAN OF EVANGELISM—An evangelistic pastor elected to serve during Associational year. Promote perennial soul-winning in all churches. Serve as Chairman of Baptist Jubilee Revival Committee and Evangelism Committee, which is composed of Associational officers.
   b. ALL CHURCHES CONDUCTING REVIVALS—Each church conducting a minimum of one revival annually—fifty per cent of churches conducting two revivals annually. Churches sponsoring mission revivals where needed.
   c. EACH CHURCH WINNING AND BAPTIZING NEW MEM-

BERS—Churches endeavoring to increase previous year's baptismal record. Seventy-five per cent of churches using the Church Council. Churches sustaining perennial evangelism and perennial spiritual growth programs.

Respectfully submitted,
Lewis F. McLean

Report on Good Government

Baptists of the Union Association may with pardonable pride congratulate themselves on being loyal to the doctrines of the Bible as interpreted and taught by their spiritual forbears, and as believed and declared by those who are now members of our churches. Yet Baptists must ever realize that belief in truth is proved to be genuine, winsome, and effective only as it is transmitted into facts and translated into life.

Jesus, the great head of the Church said, "Why call ye me, Lord, Lord, and do not the things which I say?" Obedience is always the proof of faith. To thoughtful Christians it seems unnecessary to enlarge upon the fact of the moral and spiritual decline in the standards of Christian living today. The Bible, the Church, the Lord's Day, the Christian Home are apparently forgotten and forsaken by all too many of our so-called best people.

Profanity, vulgarity, immodesty, greed, drunkenness, lust, and all other forms of vice that dishonor God and will wreck humanity go hand in hand with the legalized liquor traffic. People need to represent their Christ when they are alone in the voting booth. They must decide for or against the dram shops, Saturday mid-night shows, the laxity of divorce laws and many other evils of our day. These along with many other sins such as hate, murder, race pride and un-Christian emphasis on material things should be pondered by our people. Our spiritual needs will never be met by holding up white-washed hands and inveighing against the sinner.

Christian people everywhere and those in our Association in particular must show the realities of the Christian life so predominantly in daily living as well as in Sunday worship that men who do not know and honor Christ shall come to know him as Saviour and follow Him as Lord. We recommend to every Christian, renewed love and consecration to Christ; renewed love and concern for the lost at home and in all the world. We also recommend renewed hatred of covetousness, selfishness, desire for ease and pleasure and all other forms of sin in our own lives together with the determination to so live, labor and pray that our beloved land will not only be worthy of the sacrifice of so many who have fought and died for us, but also worthy of the sacrifice of Him who voluntarily died on Calvary to redeem men from sin.

Report on Christian Education

Southern Baptists operate six seminaries, the Carver School of Missions and Social Work, and support the American Baptist Theological Seminary jointly with the National Baptist Convention. We also operate thirty-one senior colleges, twenty junior colleges. seven academies and five Bible Schools, or a total of seventy-one educational institutions.

Enrollment in these institutions reached a record high of 65,338 students for 1960-61. In addition there were 6,462 special and extension students, making a total of 71,800 people being trained in sme way by these schools.

Of the seventy-one educational institutions supported by Southern Baptists, nine are located in our own state of North Carolina. In this report we will be more directly concerned with the role and ministry of these: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest, Wingate, Fruitland Bible Institute, and Southeastern Seminary.

Our forefathers set about to provide colleges and other educational institutions where Christian education would be provided not only for ministers and other church leaders, but for leadership in all areas of social activities. For more than seventy-five years after the opening of Wake Forest College, her presidents and supporters often opposed any colleges being operated by the state. Evidently, these men foresaw what has happened with much of higher education in America today. With a secular state providing a secular education, we are rapidly losing early Christian education emphasis. Unless something is done quickly to change this trend in America, we can find little hope for our churches, communities and our country.

North Carolina Baptists have been pioneers in this effort to preserve Christian education. These efforts have met opposition from many sources, often from those who would be expected to be their strongest supporters. The struggle for these institutions as the hope of providing Christian education for young men and women must never stop if our Baptist people wish to have a significant role in shaping the kind of world we are to have.

The principal characteristic of a Christian educational institution is to be found in the men and women who constitute its personnel—not in buildings and subject matter, or other non-personal features. These people constitute the very fabric into which every worthwhile experience must be woven. It is becoming increasingly difficult each year to secure these dedicated and well-trained people to work and teach in these institutions. They are given no special considerations in costs of living or preparation for this work, but they must be willing to accept these responsibilities with salaries much lower than those paid in public schools and colleges. As Baptists, we must give serious thought to this important matter of providing people for operating our schools. Perhaps we should make it possible for our

most capable and promising young people to continue their education and prepare to become our teachers and leaders of tomorrow.

We must never forget that three out of every four Baptist youths in college must look to some college other than our seven Baptist colleges, and we are deeply concerned for their welfare also. This is why we must be careful to continue to provide a good ministry through the Baptist Student Union in all colleges along with and in addition to the work in our Baptist colleges.

The annual operating budgets of our seven colleges total between eleven and twelve million dollars. Students pay some over half of this total and Baptists through the Cooperative Program, this last college year paid about five per cent of the operating costs. Other sources include endowment income, net earnings from such auxiliary enterprises as dormitories, dining room, student centers, etc. In addition to these costs for operation, the seven colleges are spending several million dollars each year in expanding and improving their physical plants and equipment. For the last ten years our Baptist people have provided an average of $500,000 each year to help with these capital outlay costs.

We have heard much discussion about these financial matters in recent years. The special Convention Committee of 21 members brought its report to the special session of the State Convention in Greensboro on May 4, and all the report and actions taken relate to this matter of trying to help these seven Baptist colleges meet the growing needs of these young people. The proposals of the Committee and the recommendations adopted by the Convention are aimed at helping in both operating costs and capital outlay or plant costs. The operating needs would be helped by freeing all the regular Cooperative Program funds for operation only, which would almost double the present five per cent, or give the colleges some $1,200,000 each year to aid in operation. The special Convention approved this idea by adopting a Program of Advance for the next three years, 1962-64, through the Cooperative Program. The carrying out of the proposed program in full will give the colleges in the next three years more than $8,000,000 for plant expansion and improvements and nearly $1,000,000 for new student centers in other colleges for our Baptist youth. Also, the colleges are urged to continue their special fund raising efforts from every source other than in the Baptist churches. At no time in their history has there been greater interest in the importance of the work of these colleges among our Baptist people, and all of us should join in this significant undertaking. As Baptists, we have different opinions as to how we may best proceed to do our work, but of greatest importance is the fact that we recognize the needs and set about doing something to meet them.

What can we do to insure the continued growth of Christian education in our State?

Christian education in its broadest sense, denotes every type of training and activity which we provide in our homes, churches, communities, schools, colleges and seminaries for the purpose of

Christian growth.

Such a concept requires that we make the training in our homes and churches Christian in every aspect as we prepare our youth for college. Many difficulties and failures in college could be solved and overcome if in their earlier years young people were spiritually prepared. Our goal then should be to provide our children from birth with an environment that is totally Christian.

The following will also help:

1. Be informed and concerned. Read about our schools, visit them and become acquainted with the administration, faculty and students.
2. Encourage your best young people to attend.
3. Pray for our schools.
4. Support the Cooperative Program, especially the Program of Advance.
5. Promote and support Christian Education Day in your church.

Report on North Carolina Baptist Hospital

Our Baptist Hospital continues to try to serve our people in the fullest measure possible. Last year it provided its largest number of days of hospital care and saw the largest number of patients in the Clinics—78,000 visits to the Out-Patient Clinics, from 96 of the 100 counties in the State, and 75,000 Private Clinic visits.

The new Progressive Care Unit was opened in March, providing 80 beds for patients who do not require the more expensive and intensive care of the regular hospital. This is a new and advanced step in hospitalization and patients are highly pleased with it. The Hospital's one regret is that at the present time it does not have money necessary to open it to Service Patients.

A new type of unit for the sterilization of surgical and other equipment by gas was recently installed. This is more effective than the other methods used in the fight against infection, which is a constant problem in all hospitals. In the X-Ray Department a rapid film developer is now in use which greatly speeds the preparation of x-ray films.

One of the most recent additions is a Pastor's Library given by Mrs. Walter M. Williams of Burlington in memory of her noble Christian husband. All pastors and others are invited to ask about this excellent collection of religious books and to use it when they visit the Hospital.

Among the many needs at our Baptist Hospital, there are some which are acute. One of the most pressing needs is a building to provide classrooms and other facilities for the eight schools operated by the Hospital. These schools are training urgently needed medical personnel and Christian workers in addition to doctors. They are badly limited and handicapped for lack of room.

The need for enlargement of the overcrowded and seriously limited Out-Patient Department, Children's Center, and Psychiatry section of the Hospital is urgent. The need is far beyond the present facilities in each of these departments.

The constant need for Mother's Day Funds for helping Service Patients bear the cost of their hospitalization grows more and more acute. We cannot emphahize too strongly the importance of this Fund and the need for our churches greatly to enlarge their Mother's Day Offerings.

A new opportunity to help meet this need is now open in the Service Patient Endowment Fund. This is a permanent endowment invested by the Hospital's Trustees with all of its proceeds being used for the help of Service Patients. Gifts in any amount can be made at any time. A gift can be made in one's own name, in memory of a friend, as a memorial to a loved one, or the Endowment can be placed in one's will. All gifts will be gratefully received, appropriately acknowledged, and a permanent record kept of each one. We hope you will think and pray about this and that many will take advantage of this opportunity.

The churches of the Union Baptist Association certainly will wish to have an ever increasing part in the ministry of our North Carolina Baptist Hospital.

Respectfully submitted,
Vance Edwards

Report on the N. C. Baptist Children's Homes

The Baptist Children's Homes of North Carolina is a Christian agency providing love and care for more than 800 deserving boys and girls annually. These are dependent and neglected children who, for some reason, have found it necessary to live away from their homes.

Your Child Care ministry is child centered, Christ centered, and church centered. It is based on the redemptive plan of God. These children have lost their parents through a number of ways. Workers use all the skills available, plus the help of God, to establish in these children trust in adults, trust in self, and trust in God.

Boys and girls live at Mills Home, Kennedy Home, and Odum Home. One hundred twenty-five children live in Christian Foster Homes throughout the State. Some mothers who have lost husband and father receive financial grants in the home which enables them to keep and care for their own children. Well trained case workers are spending an increasing amount of time working with and strengthening families.

It became necessary during the past year to reduce the number of children in Foster Home care by 35 boys and girls. At one time we were caring for 162 children in Foster Homes. We now have 127. This trend can be changed only as we have additional income. Many types of service to children in need are being delayed for lack of

funds.

Our financial support for this year has come from the following sources:

Thanksgiving Offering	33 Per cent
Cooperative Program	32 Per cent
Once a Month Offering	18 Per cent
Special Gifts and Endowment	17 Per cent

Members of the Board of Trustees, members of the staff and our boys and girls wish to thank you here in the Union Association for your generous support. You have given these children love, food, clothing, shelter, schooling, medical care, recreation, guidance, music, and hundreds of other benefits.

One third of the support comes at Thanksgiving time. The Thanksgiving offering goal for 1961 is $400,000.00. Let us help this to become a reality.

You may stay informed about the Child Care program throughout the year by reading the Charity and Children. The newspaper is published each week by the Baptist Children's Homes. It is now in its 75th year and circulation is higher than ever before—well over 52,000. Every family in every church should receive this Christian newspaper.

Report on Homes for the Aging

North Carolina Baptists can be justly grateful for their Christian ministry to 125 in their three Homes—Resthaven and the Hayes Homes in Winston-Salem, and the Albemarle Home in Albemarle.

With 130 people waiting for admission at the present time, lack of rooms is one of our most acute problems. North Carolina Baptists are definitely doing something about this situation. The Hamilton Home, now under construction in Martin County, is proof of this. This, our fourth Home, will provide for thirty additional residents. It is hoped that the Hamilton Home will open by January, 1962. The overall debt of the Homes stands at about $275,000 but no further expansion is anticipated until this debt is liquidated. This debt and the ever increasing demands of the aging call for increased Special Day Offerings and gifts from our churches.

We are now in the eleventh year of operation and North Carolina Baptists are real proud of what they have done for the Homes during this short time.

The Special Day Offerings and special gifts are running five percent ahead of last year's contributions.

The average age of the residents is around eighty and we rejoice in the fact that the life-span is increasing for them.

The happiest times in the Homes ever are when friends and members of our North Carolina Baptist churches visit with the residents. The Homes extend a cordial welcome to all to go and see first-

hand the things of great Christian significance that are being experienced daily in our Homes and that can never be described adequately on the printed page.

Surely, the great host of Baptists in our own Association will resolve to enlarge their gifts to the Homes through their special offerings during the Associational year 1961-62.

Respectfully submitted,
T. W. Hearn

Report on Christian Literature

Of the different means and methods used to convey and preserve words and messages, God used the written word. With this method He could preserve for all ages His infallible truth. The great standard of all literature, as to purity and exactness of style, is the book of God which is the Holy Bible. This word of God has stood the test of time, and, according to Jesus Christ will be able to stand the test of eternity, for He said in Matthew 24:35 "Heaven and earth shall pass away, but my words shall not pass away."

The Bible teaches us that God expects us to read His word. Jesus set the example in Luke 4:16—"And He came to Nazareth, where He had been brought up: and, as His custom was, He went into the synagogue on the Sabbath day, and stood up for to read." We are also admonished by this book to teach these truths according to Deuteronomy 6:6-7—"And these words, which I command thee this day, shall be in thine heart: and thou shalt teach them diligently unto thy children." Paul admonished Timothy in 2 Timothy 2:2—"And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also." Also, we are aware of the fact that those who will teach must do what Paul told Timothy to do in 2 Timothy 2:15—"Study to show thyself approved unto God. a workman that needeth not to be ashamed, rightly dividing the word of truth."

With the Bible as the basis of all Christian literature we have tons of Christian literature pouring into our churches and homes from our own, and other printing companies. Our Baptist literature is second to none in the world. All of our churches need libraries, and them filled with our Christian literature. We must help encourage our people to give attendance to reading this literature. The strength and doctrinal soundness of our homes and churches depend on what our people read. If they read funny comics most of the time, then our church houses will eventually become play-houses. If they read Christian literature most of the time, our homes and churches will become houses of prayer.

In our own state of North Carolina, we have one of the best of all Christian literature publications, the *Biblical Recorder*. It is doctrinally sound, beautifully bound, and completely informative. Its design is to promote the items of the Baptist State Convention Constitution, which are, missions, education, social services, and the

distribution of sound Christian literature. It informs, indoctrinates, enlists, inspires, and unifies our Baptist people for the Lord's work.

However, sadly to say, that of the fifty-seven Baptist churches in our Union Association, only ten (10) have the Every Family Plan, and only sixteen (16) have the Club Plan. Thirty-one (31) of our churches do not receive the *Recorder*. Yet, the Pastors and the Sunday School Superintendents get the Recorder without cost to them. Let us all realize that an informed Baptist is a greater asset to the kingdom and cause of Christ.

Just a word of caution to help us beware that not all literature that carries the brand "religious" is Christian. Tons of such literature are dumped on the news stands, and delivered by cults and organized groups in the name of religion, which is subversive to Christianity. But if you go back and touch home base, which is the word of God, you will be able to differentiate between the Christian and non-Christian. Francis Bacon said, "if I might control the literature of the household, I would guarantee the well-being of the Church and State."

Annuity Board Report

The Relief and Annuity Board no longer exists—name-wise that is. The official name is now *Annuity Board of the Southern Baptist Convention*. Deletion of the words "Relief And" from the title was approved at the 1960 Southern Baptist Convention in Miami, and made official in March of this year, when trustees of the Board voted to change the Board's charter, incorporating the new name. Baptists over the Convention are urged to use the Board's new name.

Total new members in all the Annuity Board's plans in 1960 increased by nine per cent over 1959, with the largest increase, 2,053, being in the Southern Baptist Protection Plan. Total membership stood at 22,578 on January 1, 1961. More than 4,000 of the churches participating in the protection program are paying the full 10 per cent dues. This is an increase of 17 per cent over the previous year.

On April 1, 1961, six states had enrolled more than 70 per cent of their churches and pastors in the protection program. District of Columia had the highest percentage, 94. Seven states were in the 60's, percentage-wise, and eleven showed a participation of between 50 and 60 per cent. The remaining 3 were above the 45 per cent mark. Average participation of all states was 63 per cent.

The Union Baptist Association has only 16 churches participating in some form of the Annuity system.

Benefits amounting to $2,745,613.60 were paid to more than 5,200 retired and disabled ministers and denominational workers or widows during 1960. A little more than 4,200 of these were beneficiaries of one of the Board's retirement plans, and the rest were on the relief rolls. Four hundred forty-six were new annuitants, added in 1960.

Since the Board's beginning in 1918, it has paid out benefits totaling $34,425,100.55.

Fifteen field representatives now serve 22 states in the Convention. The continued increase in new members in the Board's protection program in recent years can definitely be attributed to the work of education and promotion being carried out by these men within the local churches and Associations.

Rev. R. T. Green, Field Representative for North Carolina, has his office at the state headquarters in Raleigh—mailing address, 301 Hillsboro Street. He will be glad to try and arrange a time when he can come to your various church or Associational meetings to talk about the Annuity Board's ministry. Rev. Green is available also for personal conferences with pastors or church leaders. Write him for arrangements.

Administrative officers of the Board are: R. Alton Reed, executive secretary; Floyd B. Chaffin and L. T. Daniel, associate secretaries; Fred W. Noe, treasurer and investment director; Owen Henley, assistant director of investments and Mable H. McCartney, registrar.

If your church is not participating in one of the Annuity Board's plans I urge you to talk this matter over with your pastor and get him in. Remember your pastor may be hesitant to bring this matter before the church. Certainly our churches will want to do as much for their pastors as the corporations of the world do for their employees.

Respectfully submitted,
W. W. Payne

Cooperative Program Report

The Cooperative Program is not an institution, but a "Baptist togetherness" through which we support all of our agencies and institutions. Thanks to the Cooperative Program we now have—

(1) Six seminaries enrolling more than 6,100 students.

(2) Thirty senior colleges valued at over $200,000,000 and enrolling more than 47,000 students.

(3) Thirty-three junior colleges, academies and Bible Schools valued at over $40,000,000 and enrolling more than 14,000 students.

(4) Forty hospitals valued at approximately $147,000,000 with about 11,300 beds.

(5) Thirty-four children's homes caring for nearly 6,000 boys and girls.

(6) Approximately 3,500 missionaries on home and foreign fields.

For the past thirty-five years Southern Baptists have supported these causes through a mission plan that enables each object to get its just part in the quickest and most orderly way. This mission plan is called the Cooperative Program.

Historically the Cooperative Program is an agreement between the Southern Baptist Convention and each of the states of the Convention.

It is a plan for doing mission work. It combines all of the resources of Southern Baptists into an economical organization for

carrying out the commission Jesus gave us to go into all the world. It is a channel through which our offerings flow to all the world. It is a symbol of our denominational unity. It is a heart-warming assurance to hundreds of thousands of Christians in unfortunate areas of the world who have come to depend upon it as an aid to the preaching of Christ in their dark lands.

What the Cooperative Program does for the Denomination—

(1) The Cooperative Program helps us to see all the causes as a whole. The agencies and institutions are supported according to need. Formerly, the causes with strong emotional appeal got the most money. Others, just as important but less colorful, received less than their share. Now all are studied by committees, and recommendations are make to the Convention to assure equitable and just support.

(2) The Cooperative Program provides an economical collecting and distributing method. Baptists are good bargainers. They have learned that by keeping their funds together they can keep administrative costs down.

(3) The Cooperative Program enables the churches to present a common front to the world. Paul's appeal that "all things be done decently and in order" certainly applies to the matter of Baptist churches working together. The nearly thirty-two thousand Southern Baptist churches are stronger when they pool their efforts behind one drive than they could ever be with each working in its own way.

What the Cooperative Program does for my church—

(1) It makes my church a part of the world field. My church may be located in a remote western town thirty miles from the next Baptist church; it may be in a mountain-bound, rural community in the East. Our offerings to missions may be small but through the Cooperative Program my church is as much a part of the world enterprise as the largest churches of the world's crossroads.

(2) It supplies strength to my church. One of the mysteries of giving is that it strengthens the giver. When through the Cooperative Program one gives to the world, he receives part of the world back into his life and is given a new stability and an increased vision for even greater service.

The 1960 record for the Union Association is not exactly one to boast of. The record follows:

1 Church—No report available
7 Churches—Gave nothing through the Cooperative Program
32 Churches—Gave 5% and under through the Cooperative Program
12 Churches—Gave between 6% and 10% through the Cooperative Program
7 Churches—Gave between 11% and 15% through the Cooperative Program
0 Churches—Gave between 16% and 20% through the Cooperative Program
1 Church —Gave between 21% and 30% through the Cooperative Program

0 Church —Gave 30% and over through the Cooperative Program (Percentages used here based on calendar year)

When our Lord said to His disciples, "Go ye into all the world," He did not say, "Go separately," and common sense tells us that if we work together we can reach more people with the good news of redeeming love.

Radio And Television Report

Man can now send radio and television signals anywhere and no unfriendly government can stop him. Communications satellites have made this possible. These and many other fantastic advances in the communications field have provided us an open door in space for our Southern Baptist Radio-Television ministry.

There are many places in the world today where our missionaries cannot go, yet can easily be reached by radio. Russia is closed to us, but we preach the Baptist message there every week in the Russian language through Radio Monte Carlo. Red China has expelled all our missionaries, yet vast areas of China are exposed to radio from the western world. With coming improvements in communications there will be no place on earth beyond the reach of radio. While some doors shut, others open—wider and wider.

We are not doing all we can do through radio and television to spread the gospel now. The world population is increasing each year at the rate of 50 million persons. Less than one fourth of these are won to the Christian faith, leaving 38 millions lost annually to pagan forces of our world. The world's population is reachable to a large degree by radio and television. These people are being reached by non-Christian forces—they are not being reached by us.

Here's what Southern Baptists are doing through radio and television: Through more than 1100 stations we reach an estimated 50 million listeners each week with the eight radio programs and one television program produced and distributed by the Radio and Television Commission. These programs include: "The Baptist Hour," now celebrating its 20th anniversary. on 470 stations and reaching a weekly audience of 22 million; "Master Control," a variety program with a direct gospel appeal, now on 200 top-rated stations with an audience of seven million, plus a fifteen minute verson beamed to Great Britain. In "The Answer" for television, the dramatic format presents everyday life problems and solutions found in God's Word. The weekly audience is roughly five million. Other programs are: The Spanish Baptist Hour; Chapel Upstairs, a devotional program; and the International Sunday School Lessons.

Thousands of letters pour into the Commission each month in response to the various programs and representing individuals who seek spiritual light. The mail is the result of the world-wide missionary work on radio and television. Letters are a tremendous testimonial to the effectiveness of this work.

The Radio and Television Commission is ready to attempt the mightiest Christian witness during the next four decades of the 20th century that the world has ever known. They can do no less if our Baptist people are to measure up to the opportunities of the space age in which we live. The communications satellite can make it possible for us to match the population explosion with a gospel explosion. We can, if we will, use these messengers of outer space to help fill the inner emptiness in lost men's hearts.

Marvin Smith

*The Baptists of this Association came directly from the efforts of the early Christian workers of Wales and England. Their first settlements were in Old Welsh Neck section in South Carolina and Old Sandy Creek section in Chatham County. Union County Baptists came from the Old Welsh Neck Section. The Welsh Neck Baptist Church was organized in 1738. In 1793 Lanes Creek Church was organized about two miles West of Philadelphia Church. This Church was the stock of the Welsh Neck Church. The churches that came out of the Welsh Neck Church organized into the Moriah Association in 1815. For convenience of the North Carolina side of the Moriah Association, the Brown Creek Association was formed in 1854. In 1885 the name of Union Association occurred.

CONSTITUTION

OF THE

UNION BAPTIST ASSOCIATION

ARTICLE I - Name

This body shall be known as the Union Baptist Association of North Carolina.

ARTICLE II - Purpose

It shall be the object of this Association to promote the Kingdom of God on earth
ompliance with New Testament principles, and in co-operation with the Baptist
e Convention and the Southern Baptist Convention. It shall also devise and pro-
e measures for increasing the harmony, intelligence and spiritual power of the
ches.

ARTICLE III - Membership

The Association in the transaction of business, shall be composed of the pastors of the churches constituting it and the duly elected messengers of the churches. Each church shall be entitled to three messengers for the first hundred members or fraction thereof and one for each additional hundred. No church shall be entitled to more than ten messengers.

ARTICLE IV - Powers and Prerogatives

1. The Association shall have no right to infringe upon the sovereignty of the churches. All the churches constituting the Association remain soverign and independent bodies. It may advise the churches, and recommend measures for their adoption, but cannot bind them in any way. However, it may justly claim for itself for its objects, and for its recommendations the very highest consideration and regard.

2. The Association may at any time dissolve connection with any church that becomes heterodox in doctrine or disorderly in practice or that fails to represent itself either by messengers or letter for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. This cause fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body. The Co-operative Program shall be the recommended means for the support of Convention objects.

ARTICLE V - Duties of the Church

10. Clerk Mrs. John Bivens asked to give essential information from Executive Committee meetings for the past year. Four meetings during year. Recommendations made and committee appointed to make repairs on field worker's home and also to make back porch into office. Plans made for Associational survey in February. March 13th meeting - reports showed that 28 of our churches had participated in the Associational Survey directed by the State Baptist Church Development Dept. Another meeting was held on June 12th and also on Sept. 11th when Associational officers presented for approval, and budget.

12. The Missions Planning Committee: The Moderator read from the Constitution regarding admission of new churches (Article VI). Four churches care under the watch-care at the present time. The Recommendation of the committee regarding each church as follows:

BROWN HILL - dropped from watch-care relationship because of its desire not to participate---church has not responded to any request for information; committee feels that it has no desire to associate with Association; did not send in a church letter last year or this year. Motion made and seconded that this church be dropped from watch-care. Motion carried.

be no longer carried under watch-care and be admitted to full fellowship in Association. Moved and seconded and carried. This church has shared information with committee and fully cooperated in all requests.

Moved adoption of report, seconded and carried.

14. Brother Jones presented another matter - a deed to the trustees of Union Baptist Association for two lots in Brairwood Acres; after January, 1963, two more lots (about 3 1/2 acres of land) for a site for a future church in this area. Motion made to accept the lots. Question then presented as to what conditions go along with gift? Lots being given to Association with a "reverter clause": if any church building facility has been started by 1968 (at end of 5 years) the reverter clause is null and void; otherwise reverts back to donor (Robert O. Helms.) Motion seconded and Association voted by standing, carried unanimously.

EVANGELISM REPORT

Someone has said, "Two things make our age unique. It is the age of total revolution, and it is the age of terrible urgency."

If this is a total revolution, then it means that it will sweep the entire world in its onslaught. This certainly provokes a terrible urgency. This is not another crisis. The world has had numbers of these. This is total revolution, and it can only be met with any degree of success with total dedication, on our part, to our Lord and Saviour, Jesus Christ.

The past is behind us and the future is before us. What can we do in a practical way to meet this present threat? Evangelism offers us a commendable contribution through our local church, our association, and our Convention.

Important meetings and programs:

Our associational clinic on evangelism will be held March 14, 1963, First Baptist Church, Monroe. All pastors and associational officers should attend, along with the teachers and officers of all church organizations.

Soul-Winning Commitment Day, January 6, 1963. We must train soul-winners by using "The Guide for Training Christian Witnesses" - pastor's edition - which will be mailed free to every pastor on November 15, 1962, by the Training Union Department. Also, "Learning to Witness" to be ordered along with Sunday School quarterlies from the Sunday School Board, Nashville, Tennessee.

In January, it will be worthwhile to start your three months of cultivative witnessing, training our people to witness for Christ in preparation for our Baptist Jubilee Revivals in March and April.

Our State-Wide Evangelistic Conference will be held in Greensboro, February 11-13, 1963. Every church would do well to consider sending its pastor to this spiritually refreshing conference. Lay people should attend too.

February is transfer Church Membership Month. The non-resident church membership problem should have special attention at this time to be followed with perennial efforts.

Baptist Jubilee Revivals will come in March and April. The date for the Baptist Jubilee Revival in our Association is March 24- April 7, 1963.

The 1963 Convention-wide Evangelistic Conference will be held in Dallas, Texas. The date is July 2-4. Many people are praying and planning for this to be the greatest conference on evangelism ever held among Southern Baptists.

The World-wide Baptist Jubilee dates are March and April of 1964. The date in our association is March 8-22, 1964.

All things point up the need for full committal to Christ in His redemptive purpose NOW...Nothing less than this will be enough. In fact nothing less than this has ever been enough.

MUSIC REPORT

The Associational Music Ministry realized significant progress during the year toward its goal of increased awareness on the part of our people of the value of an organized and working music ministry in the local churches.

The theme for 1962 is "Forward through Church Extension" and the hymn of the year, "Let All the World in Every Corner Sing."

The annual Carol Sing in December was enjoyed by members of some fifteen churches. The theme of the program, held in the beautiful Wingate College auditorium, was "Christmas Gifts."

The highlight of the associational year was the Group Music Schools conducted the week of March 18. Joseph O. Stroud, our highly esteemed and loved state music secretary, directed this great effort, which opened with a Hymn Sing, "Hymns Through the Ages," in the Wingate College auditorium. Schools were conducted in the New Salem, Philadelphia, and Wingate churches. Brother Stroud and the State Music Department supplied the services of two state-approved workers, Hal Shoemaker and Alex Hegenbart, who with brother L. E. Bookout and brother Zeb Caudle, the associational music officers, and brother Stroud made up the three faculties. Attendance averages were: New Salem 32; Philadelphia 41; Wingate 41. Many of our people, especially pastors and music directors, passed up a golden opportunity by not attending one of these schools. BEGINNING MUSIC READER, HYMN PLAYING and MUSIC IN WORSHIP were taught. Less than six of our pastors attended. With no better cooperation of these key men in our churches the hands of the associational music officers are tied.

We are proud of the Junior Choir of Philadelphia Church who participated in the Regional and State Choir Festivals. They received a high rating. It is hoped that other choirs will participate in the festivals next year.

Your associational music director is again grateful for the interest and generosity of Br. Budd E. Smith, president of Wingate College, through whose good offices it was again possible to have summer music schools in five of our churches. These churches were: King Street; Sardis; Mountain Springs; West Monroe; Mill Creek.

Opportunities for music training to our churches. It is our prayer that our pastors and music directors will catch a vision of the richer and deeper worship experiences possible through more intelligent and enthusiastic participation in organized music ministries.

BAPTIST CHILDREN'S HOMES REPORT

Building a better tomorrow has always been the dedicated concern of the Baptist Children's Homes of North Carolina. Today's children will become the adults who shape tomorrow's world. NO task is more important than helping a child, hurt by life, to grow into healthy, well-adjusted, responsible citizenship.

Each child who comes to the Children's Homes is different, with a different need to be met and a different problem to be solved. It is the responsibility of the Homes to find the best solution possible. For many years that meant providing food, clothing and shelter for the orphans. Today the need has changed. Today our work is with children who for various reasons have lost the security of home and parents.

During the past year, 848 boys and girls were served by the Baptist Children's Homes. In addition to those already in care, applications were received for the admission of 646 other children. We had space and money sufficient to admit 170 of these - leaving 476 for whom no room was available. Provision should be made immediately to expand greatly our foster home program to meet the needs of these children. This can be done through an increased Thanksgiving Offering.

Increasingly, your Homes are being called upon to serve children who are disturbed and emotionally ill. In addition to traditional types of child care, there is a growing need for specialized supervision and services. It is hoped that a step can be taken, within the year, to begin to provide, on a small scale, such service at the North Carolina Medical Center at Chapel Hill.

Financial support this year has come from the following sources:

Cooperative Program	33%
Thanksgiving Offering	30%
Once-a-Month Offering	16%
All other	21%

For the first time, income to the Children's Homes through the Cooperative Program exceeds that of the Thanksgiving Offering. This source of income meets one-third of our operating budget and is greatly appreciated. At the same time, the Thanksgiving Offering continues to be vital to our existence, providing 30% of income. We sorely need an increase of one hundred thousand dollars through the Thanksgiving Offering this year. This would enable us to provide a Christian home and care for an additional 125 children.

Every Baptist Church in our association CAN GIVE SOMETHING. Most of our people can increase the Thanksgiving Offering. May God grant us the grace, the means, and the will to do our best in the year we face.

CHRISTIAN LITERATURE REPORT

Have most of us stopped reading? How many today have never known the pleasure of living with a good book? There is much evidence that we spend little time reading good literature. Many people cannot find their Sunday School and Training Union quarterlies two weeks after they receive them, and I have found that some never bother to carry them home at all. Who is being cheated when this happens, the writer, the church, or the individual? I think all three are being cheated. The writer, in that his efforts have gone to waste, the church in that money is wasted; but of all three, the individual is cheated most. He fails to receive knowledge and inspiration. He misses an opportunity to enrich his mind, heart, and soul.

It is my feeling that Southern Baptists have the best Christian literature that can be found anywhere in the world. If we would read and study the material we have access to, such as the Sunday School and Training Union material, Home and Foreign Mission magazines and W. M. U. material, we would be the best informed people of any denomination.

Also we have our State paper which keeps us informed of what is happening in our state and other places. The Biblical Recorder is one of the finest state papers that I have ever seen. Brother J. Marse Grant, the Editor, is to be commended for the fine job that he and his staff are doing.

Let us resolve to make use of our very valuable Christian literature.

B. R. Wallace

REPORT ON GOOD GOVERNMENT

When we stop to think about good government today, we are prone to think that other people, rather than ourselves, run it. But really who is the government? It is every citizen that is eligible to vote. Good government is made up of the people, by the people, and for the people. It is every citizen's privilege and duty to take part in our government.

When we think of filling the offices of our government, how do we as individuals go about it? We usually wait until someone has filed for office and the deadline for filing is past, before it enters our minds that an election year is at hand. We must not be asleep: we must wake up in order to keep up with what is going on in our government. Look about our county, our state, and our nation and find people that are upright, honest, and, above all, Christian. We must find people who will stand for what is best and not be swayed by persuasive pressure.

Let us ask ourselves this question, "Have I asked God in earnest prayer to lead Christian men to run for offices in our government, and have I looked about our county and state and talked to Christian people about our government?" So many people are asleep, and they say, "Well, my influence doesn't mean anything, and they will run it their way no matter what I do." Yes, and that is true unless we as Christians do something about it. We, as Baptist people, would not permit a non-Christian to fill our pulpits. But we think nothing of letting all types of men fill our public offices. These men make the laws you and I have to abide by.

Now, as never before, there are more crimes, more tragedies, more divorces, and more broken homes on account of alcohol than any other reason, and yet so many people will say we should have ABC stores in our county. We realize that alcohol is available in all our counties, but why bring in more? We should do all we can against it. Why have we not had a chance in North Carolina to vote on the sale of alcoholic beverages? A few years ago a petition was signed by a majority large enough to justify a vote, but when it reached the General Assembly it was shelved. Why? I say persuasive pressure by the brewers did the job. Did our representatives act on our behalf?

Yes, taxes in this county are tremendously high. But remember that 65 per cent of your tax dollar goes for schools. People often ask why do we not have ABC stores in our county, and let that tax money support our schools. Look again at what alcohol does for our people in broken homes, hungry children, and accidents on every hand. Is this the way we should be educating our children? This is something that is headed our way, and, if we as Baptists, and Christians do not wake up and resist it, then our resisting days will come too late.

To have good government, we must have Christian people in office, and when it is time for elections we had better know the people we are voting for. If we as Baptists in Union County will do what we should, we can go a long way in keeping our county clean of the liquor traffic and be an influence to surrounding counties.

Let us ask ourselves this question, "Have we done what we know to do?" Because to know to do good and not do it is sin. Then let us look at the kind of business we as Christians are in. We are in the biggest business in the world, and we are the only ones who represent the Governor of Government, Jesus Christ.

Avery Parker

TRAINING UNION REPORT

There is a greater need today for trained church leaders than ever before in the history of our churches. The aim of the Training Union is "Training in Church Membership." Let us all work together during the coming year to enlarge our Training Unions and start new Training Unions in our churches that do not have such.

We had the following Associational meetings during the 1961-62 church year.

One clinic for Church Officers and Committees.

Five Executive Committee meetings.

Two Officers and Leaders Conferences.

Two Mass meetings. One of these was "M" (Mobilization) Night, held at Wingate College Auditorium with 730 people present. The other Mass meeting was held on July 10, 1962, with a fine number present and a great message by Rev. Frank Moore of the Oakhurst Baptist Church of Charlotte. Youth Night was held on April 7, 1962 with good attendance and an excellent program.

Our Associational Tournaments were held on April 15, 1962 with the New Salem Baptist Church. The only participants were ten Juniors of whom eight were Associational winners.

RADIO AND TELEVISION REPORT

Here is what Southern Baptists are doing through radio and television to spread the gospel around the world. Through more than 1100 stations we reach about fifty million people each week.

We are not doing all that we can through radio and television. Many have never heard the gospel story of Jesus Christ. Dr. Paul M. Stevens is the director of the Southern Baptist Radio and Television Commission, with headquarters in Fort Worth, Texas.

Dr. Stevens, being a former pastor himself, began with the Radio and Television Commission seven years ago. The Beam, a recent publication of the Commission, and published monthly, is on trial subscription now. It is a real good magazine. The Commission also publishes a small booklet entitled "A Look at Communist Techniques and Practices."

The Radio and Television Commission is ready to attempt great things for the glory of God, only if Southern Baptists, with their prayers and money will back the program. In this satellite age we need to use every means possible to carry the message to the utmost part of the world.

CONSTITUTION AND BY-LAWS REPORT

The Committee on Constitution and By-Laws recommends the following changes and additions:

1. Article VI - "Reception of Churches into Fellowship" be changed to read "Article VI - Reception and continuation of Churches within fellowship."

2. The lengthy paragraph under the same Article VI be divided into two paragraphs for clarity and readibility. The second paragraph would begin with the sentence "The Mission Planning Committee will receive written quarterly reports from the church."

3. An additional three paragraphs shall be added to the same Article VI to state what the Association now expects from the churches in good standing within the membership.

"In like manner churches of the Association shall be expected to continue in the spirit and practice expected of new-member churches. Those churches admitted into fellowship in the Association, and all churches composing the membership of our Association, shall be expected to practice the requirements made upon churches applying for membership. At any time a church is found by the Associational Missions Planning Committee to be delinquent or negligent in complying with the letter and spirit of this Constitution such a church shall be placed on probation for a period of twelve months. If at the end of this period the church fails to comply with the letter and spirit of the Association's Constitution, it shall cease to be listed as a member of the Union Baptist Association."

"The Associational Missions Planning Committee shall be the responsible committee for the study of a church's life for membership, and application shall follow the above specified procedure for admission."

"The Association continues in this regard to be the final authority in the action relative to this article."

NORTH CAROLINA BAPTIST HOMES

The past year in our N. C. Baptist Homes has been one of great blessing. Of unusual significance has been the opening of the fourth Home, the Hamilton Home, located in Eastern North Carolina, and enabling us to minister to 30 additional people. The residents there are supremely happy and are enjoying the abundant life in this beautiful new facility.

Over the past eleven years, we have increased by eight times our ability to minister to the aging in our midst. In the beginning, there were twenty residents, and now we are able to give loving care to 160 persons in our four Homes - Rest-haven, and the Hayes Home, in Winston-Salem, the Albemarle Home, at Albemarle, the Hamilton Home, at Hamilton.

The need for more space is most urgent and pressing. Today there are 138 applicants on the waiting list. We will want to move forward, therefore, as rapidly as funds will permit in meeting the crying demands of our ever-growing population of aging people who need our care.

The Special Day Offerings from our churches are at an all-time high and are likely to go beyond all previous offerings by the end of the fiscal year. We want to thank all who have had a part in these vital offerings, and we would urgently appeal to each church to continue giving as liberally as possible through this vital medium. Ninety per cent of the residents who live in our four Homes are financially needy people and are sustained by the Special Day Offerings from our churches each year.

The plea of the elderly person in our midst, "Cast me not off in the time of old age," is one that cannot be lightly brushed aside, but one that must continue to challenge the highest and holiest in every North Carolina Baptist as we move forward in this great ministry which God has committed to us.

Floyd Helms, Sr., Chairman

MINISTERS' RETIREMENT REPORT

The churches of our association should be more concerned about the advantages

offered by the Southern Baptist Protection Plan. There are only nineteen churches in our association that are making provision in any way for the protection and retirement of their ministers. Good business principles demand that we give our churches, as well as our ministers, this protection.

Industry has shown that it is good business to provide workers with disability protection and a retirement program. Southern Baptists have fallen behind the business world and many other denominations in this respect.

The Southern Baptist Convention is now in a campaign to enlist each church in providing the Southern Baptist Protection Program for its pastor. This program protects the pastor in three ways---disability, death and retirement. It protects the church if something should happen to the pastor, for the church would feel obligated to him and his family.

If your church should provide this protection it would pay the entire cost, only ten per cent of the pastor's salary up to $4,000.00. It cannot cost more than $400.00 each year. The State Convention adds five per cent. The church's part can be put in the budget and paid by the month, and the church, the present pastor, and every future pastor will reap great benefits from this program.

It is important that you begin participating in this program now. The amount your pastor will receive at retirement age, or on becoming disabled, will depend on the number of years he has served in a church that is participating.

Perhaps some of our pastors would like to have this protection. They have had it explained to them. Many of their fellow pastors are receiving it, but they are hesitant to mention it. They are afraid the church would assume they are asking something for themselves. It has always been a privilege and joy for the laymen and the laywomen to provide for the physical comfort of their pastor while he is active in the community. It is a more noble thing to provide for his comfort and well-being when he reaches the age of retirement. Someone must take the lead in all important matters. It is your duty as a layman or laywoman to present this matter to your church.

If your church would like to participate and you need additional information you may receive it by writing Gut S. Cain, Secretary, 301 Hillsboro Street, Raleigh, North Carolina.

WOMAN'S MISSIONARY UNION REPORT

The Woman's Missionary Union has been striving to make the past year a "Year of Prayer." Special emphasis has been put on prayer in all of our meetings. We have just observed a period which we called "Seventy-five days of Prayer" from July 18 to September 30 in preparation for our 75th anniversary of W. M. U. which we will observe in 1963. During this special prayer period we have held two Associational Prayer Retreats and several churches have held Prayer Retreats on the local level.

We have attempted to enlist more women in missions by encouraging new organizations, by the study of ENLISTING IN MISSIONS by Mrs. Robert Fling and by community missions efforts.

Special W. M. U. meetings held during the year were:

Leadership Course - Weekly during November.
Associational Mission Study Institute - January 11.
Annual W. M. U. Meeting - April 11 with New Salem Baptist Church.
Associational Intermediate G. A. Rally - May 18 at Hopewell Church.

Associational Junior G.A. Rally - May 19 at Olive Branch Baptist Church.
Associational Sunbeam Day Camp - June 22-23 at Lee Park Baptist Church.
State W.M.U. Workshop - Campbell College, August 24-25 attended by eight associational officers.
Leadership Conference for all local officers - September 27 at Monroe First Baptist Church.

Next year is an important year in W. M. U. history. It marks the Seventy-fifth Anniversary of Woman's Missionary work in the Southern Baptist Convention. The purpose of the original organization was to stimulate the missionary spirit of giving among women and children. These women gave us the sacred heritage of conviction, dedication and cooperation. We in Union Association join with women throughout the convention as we "cherish this heritage and pledge, by God's grace, to bequeath it to succeeding generations through the women and young people in our organizations today."

The 75th anniversary watchwords are "Laborers together with God"-First Corinthians 3:9. "That the world through Him might be saved"-John 3:17. As we face this anniversary year we would remind ourselves of the great challenge:

We've a story to tell
A song to be sung
A message to give
A Saviour to show-

ORDINATION COMMITTEE REPORT

The Ordination Committee met with brother Kenneth Simpson on July 9, 1962 to question him for the ministry. The meeting was opened with prayer by Rev. J. D. Tucker. Rev. Charles Clark was elected moderator and Rev. M. T. Gales led the questioning.

The candidate, brother Simpson, was questioned along the following lines:

1. His conversion.
2. His call to the ministry.
3. The Bible, its author and authority.
4. The ordinances of the Church.
5. The Cooperative Program
6. His ideas about the local church, the association, the State Convention, and the Southern Baptist Convention.

7. The possibility of furthering his education and the type of worship service in the Church.

After a satisfactory answer to the above questions it was recommended that the Mt. Zion Church go ahead with his ordination. He had received a call from the Whispering Pines Baptist Church in Hartsville, South Carolina.

The Ordination Committee, along with Rev. Vance Edwards, Rev. Carroll Davis and Rev. Cecil Broome met September 13, 1962 to question brother Ray Starnes for the ministry.

Rev. Cecil Broome was elected moderator, Rev. J. D. Tucker was appointed to lead the questioning, and Rev. Carroll Davis was appointed clerk.

The candidate was questioned in the following areas: conversion; call to the ministry; the Bible; the Church ordinances; church membership; worship. He was also questioned about his preparation for the ministry and about his intentions to further his education. He was also questioned about his views on the Cooperative Program.

It was recommended that the Mary Elizabeth Church go ahead with his ordination. Brother Starnes had received a call from the Chapel Hill Baptist Church in Hartsville, South Carolina.

BAPTIST HOSPITAL REPORT

The services of our Baptist Hospital are subject to heavy demands which grow heavier year by year. Last year the already overcrowded clinics of the Out-Patient Department received a new high of 83,000 visits from 96 counties of the state, sixteen other states, and two foreign countries. Two-thirds of these were by our Baptist people.

One of the most pressing needs is the enlargement of the facilities of the Out-Patient Department. Along with this is the urgent need for a building to provide adequate and unified facilities for the Hospital's eight schools for the training of skilled nurses, technicians, and other medical personnel, all of whom are in short supply and are essential to good medical care in our local hospitals and communities.

The new Progressive Care Center is attracting the attention of hospital authorities over the country. Patients have been most pleased with it. The Trustees and administration greatly regret that the Hospital does not have sufficient funds to permit the admission of Service Patients to this fine facility.

The Pastors Library now contains well over 100 volumes among the best books in various fields of Christian thought and pastoral work. It can be of great value to pastors and they are invited to use it. It is located in the Medical School Library.

The care of Service Patients remains at the heart of the work of the Baptist Hospital. In cases where help will be needed on the hospital bill, it is extremely important that this be made known in advance and the arrangements be made when the patient is admitted to the Hospital. When appointments are requested for examinations it is necessary to let the Hospital know if the person needs to come through the clinic, or if he will come as a private or full-pay patient. If a doctor is making the arrangements for a patient he should be told to make clear when he calls or writes if it is a Service or Clinic Patient. Mother's Day money cannot be used for Private Patients.

The Mother's Day Fund is the foundation of the financial aid given Service Patients. The Hospital tries to help the most needy cases as much as possible,

but the funds have not been sufficient to give as much as is needed in many cases. In other cases of real need it has not been able to give any help, except the free services of the doctors and reduced rates on other items, such as X-rays, which consideration is given all Service Patients. We must remember that the help given is limited by the Mother's Day gifts of our churches.

The Hospital has prepared a full and attractive Information File Folder covering all of these matters in our relations with the Hospital. A copy is being mailed to all our pastors and associational missionaries. We urge you to acquaint yourself with this, keep it in your file and refer to it when questions arise and when arrangements are being made for patients to go to the Hospital.

SUNDAY SCHOOL REPORT

I feel that we have had a most encouraging year in our Associational Sunday School.

An Officers and Leaders Clinic was held September 4, 1961 at the First Baptist Church, Monroe, under the leadership of Rev. Ernest Upchurch, Secretary of the Church Development Department of our Baptist State Convention. We had 12 workers in the associational organization to attend this meeting.

Executive Committee meetings were instituted this year. These were held the month before the Officers and Leaders Conferences. At these meetings we shared our plans for the approaching Officers and Leaders Conferences and studied the book, Helping Churches Through Associational Sunday School Work by E. Stanley Williamson. There was an average attendance of eight at these meetings.

Four Associational Officers and Leaders Conferences were held with an average attendance of 73 representing an average of 18 churches.

A real good Vacation Bible School Clinic was promoted and held. Mrs. Charles Brock was our Vacation Bible School Superintendent. Mrs. Brock and Rev. P. E. Jones, our Associational Missionary arranged for the State Convention workers to put on the clinic which was held in the First Baptist Church of Monroe, on April 13, 1962. We have thus far received reports from 44 Vacation Bible Schools. Others were held but not reported.

The highlights of our church year in the Sunday School were the Associational Survey in February and the Pastor-Led Sunday School Enlargement Campaign in September. We had nine churches participating in these endeavors.

While there is much that needs to be done in our Associational Sunday School organization and work, I do sincerely thank our God for the leadership and faithfulness of my co-laborers.

Respectfully submitted,
Carroll Davis

COOPERATIVE PROGRAM REPORT

The Cooperative Program is not an institution, but a "Baptist togetherness" through which we support all of our agencies and institutions. Thanks to the Cooperative Program we now have--

1. Six seminaries enrolling more than 6,100 students.
2. Thirty senior colleges valued at more than $200,000,000 and enrolling more than 47,000 students.

3. Thirty-three junior colleges, academies and Bible Schools valued at over $40,000,000 and enrolling more than 14,000 students.
4. Forty hospitals valued at approximately $147,000,000 with about 11,300 beds.
5. Thirty-four children's homes caring for nearly 6,000 boys and girls.
6. Approximately 3,500 missionaries on home and foreign fields. For the past thirty-six years Southern Baptists have supported world missions through a plan that enables each phase of our work to get its just part in the quickest and most orderly way. This plan is called the Cooperative Program.

Historically, the Cooperative Program is an agreement between the Southern Baptist Convention and each of the states of the Convention.

It is a plan for doing mission work. It combines all of the resources of Southern Baptists into an economical organization for carrying out the commission Jesus gave us to go into all the world. It is a channel through which our offerings flow to all the world. It is a symbol of our denominational unity. It is a heart-warming assurance to hundreds of thousands of Christians in unfortunate areas of the world who have come to depend upon it as an aid to the preaching of Christ in their dark lands.

What the Cooperative Program does for the Denomination:

1. The Cooperative Program helps us to see all the causes as a great whole. The agencies and institutions are supported according to need. Formerly, the causes with strong emotional appeal got the most money. Others, just as important but less colorful, received less than their share.

2. The Cooperative Program enables the churches to present a common front to the world. Paul's appeal that "all things be done decently and in order" certainly applies to the matter of Baptist churches working together. The nearly thirty-two thousand Southern Baptist churches are stronger when they pool their efforts behind one drive than they could ever be with each working in its own way.

What the Cooperative Program does for my church:

1. It makes my church a part of the world field. My church may be located in a remote western town thirty miles from the next Baptist church; it may be in a mountain-bound, rural community in the East. Our offerings to missions may be small but through the Cooperative Program my church is as much a part of the world enterprise as the largest churches of the world's crossroads.

2. It supplies strength to my church. One of the mysteries of giving is that it strengthens the giver. When through the Cooperative Program one gives to the world, he receives part of the world back into his life and is given a new stability and an increased vision for even greater service.

This, then, is our aim: Every member of every church making a worthy offering to world missions every week; and every church giving a fair share of its income to world missions through the Cooperative Program. When this is done, we will have the funds needed to do our part in carrying out the Great Commission.

Respectfully submitted,
R. V. Greer, Chairman

FIELD WORKER'S REPORT

My first desire is to thank God for permitting me to labor among the wonderful people of Union County, and in particular, our Baptist people.

I also wish to commend our churches for writing the best record in the history of this association. There are still many needs to be met and our hope is that we will soon reach our goal of $1.00 per member from all of our churches. When this is done every phase of our work will be broadened and our churches will reap more benefits from all of our associational organizations.

During the past year I have attempted to correlate the work of all the departments. A calendar of activities has been prepared and a monthly bulletin published and distributed. The bulletin goes to about nine people in each church. In addition to these services I have had almost a full schedule of preaching and teaching. I have worked closely with the nominating committees in the Training Union, Brotherhood, Sunday School and Music departments. Securing the 65 workers for these four departments usually takes about three months.

During the past year I have promoted two associational-wide programs. During the last week in February the Church Community Survey was promoted, and a Sunday School Enlargement Campaign was carried out during September.

We have seen four of our churches vote to move out into a full time program. We commend them for this forward step.

I feel that God has blessed me greatly with health and strength to enable me to reach each of our 57 churches at least twice during the past year.

Your prayers are coveted as we move out into this new year.

Respectfully submitted,
P. E. Jones

REPORT ON CHRISTIAN EDUCATION

Southern Baptists operate 32 senior colleges and 19 junior colleges. A new college, Kentucky Southern. will open in Louisville in September. There are six seminaries, Carver School of Missions and Social Work, American Baptist Theological Seminary, seven academies, and five Bible Schools.

North Carolina Baptist colleges closed another record-breaking year. All seven opened in the fall of 1961 with their largest enrollments: Campbell-1,429; Chowan-752; Gardner-Webb-611; Mars Hill-1,099; Meredith-778; Wingate-912; Wake Forest-2,866; making a total of 8,447.

Of this number, approximately 2/3 were members of Southern Baptist churches. About one out of eight was preparing either for the ministry or some church-related vocation. They constitute our denominational leadership for tomorrow.

Plant assets of these colleges are in excess of $45,000,000. For the past ten years Baptists have provided about $500,000 each year to help with these capital outlay needs.

The total operating budget of the seven colleges during the year was about $12,000,000. The Cooperative Program furnished about 5% of this amount. Nearly one-half of operating costs are paid by students and other sources such as endowment, dormitories, dining room, and student centers.

In response to Convention action, Campbell College is adding the senior year this fall and Mars Hill the junior year.

The Convention is in its first year of the Christian Education Advance Program. Under this program each church is asked to increase its gifts through the Cooperative Program 35% for 1962, 63 and 64. Thirty per cent of this amount is to go to the colleges and student centers on non-Baptist campuses. Some 400 to 500 churches have made this increase in 1962. The Cooperative Program income is some higher than at this time last year. In order to meet our goals, it will be

necessary for more churches to increase their Cooperative Program giving by 35%.

The colleges are deliberately and continually seeking to illuminate the total educational process with the atmosphere of the Christian faith. In addition to Christ-oriented teaching, opportunities are provided daily and weekly for worship. On each campus is a qualified director of religious activities whose responsibility is to counsel with students and faculty, as well as to correlate and promote a program of voluntary religious activities designed for spiritual growth.

The future of Christian education in America is at stake today. With increased state and federal interest in, and aid to, higher education, more students will attend state institutions. These cannot perform the task of Christian colleges. Christ centered education is still left to the churches. Baptists would be the last group to ask the state to teach religion for them. In a great republic like ours education needs the support of many groups, including the churches.

Into this expanding sea of secular education Baptists must choose to give witness to our faith. Let us not oppose other forces operating in the field of higher education, but rather strengthen our own institutions that they may do their work and do it well.

Please support your colleges by:

1. Encouraging your finest students to attend.
2. Acquainting yourself with your colleges.
3. Praying for the colleges and all the workers in them.
4. Increasing your Cooperative Program giving 35% this year.
5. Observing the Christian Education Day - (Father's Day in June).

Respectfully submitted,
Wyman Bolin

BROTHERHOOD REPORT

The Brotherhood has seen another year of seemingly not too much interest from those of us who should be leading in our various churches.

We have had four associational meetings during the year which were well attended. The programs for these meetings were excellent. I am sure that all who attended the meetings were greatly blessed and encouraged.

Several planning meetings were held during the year by the associational Brotherhood Officers.

Another highlight of the year was the Royal Ambassador - Brotherhood supper meeting. This was on the night of September 13 with the Mill Creek Church. About 300 people attended the meeting. The meal, prepared by the Woman's Missionary Society of the church, was one of the very best.

We had one of the best programs ever presented in our association. Mr. Kenneth Steele and Mr. Joe Neal Nash had charge of the program. The final items of the program were the presenting the awards and the election of officers for the year 1962-63.

Respectfully submitted,
C. E. Perry, President

*The Baptists of this Association came directly from the efforts of the early Christian workers of Wales and England. Their first settlements were in Old Welsh Neck section in South Carolina and Old Sandy Creek section in Chatham County. Union County Baptists came from the Old Welsh Neck Section. The Welsh Neck Baptist Church was organized in 1738. In 1793 Lanes Creek Church was organized about two miles West of Philadelphia Church. This Church was the stock of the Welsh Neck Church. The churches that came out of the Welsh Neck Church organized into the Moriah Association in 1815. For convenience of the North Carolina side of the Moriah Association, the Brown Creek Association was formed in 1854. In 1885 the name of Union Association occurred.

CONSTITUTION

OF THE

UNION BAPTIST ASSOCIATION

ARTICLE I - Name

This body shall be known as the Union Baptist Association of North Carolina.

ARTICLE II - Purpose

It shall be the object of this Association to promote the Kingdom of God on earth in compliance with New Testament principles, and in co-operation with the Baptist State Convention and the Southern Baptist Convention. It shall also devise and promote measures for increasing the harmony, intelligence and spiritual power of the churches.

ARTICLE III - Membership

The Association in the transaction of business, shall be composed of the pastors

of the churches constituting it and the duly elected messengers of the churches. Each church shall be entitled to three messengers for the first hundred members or fraction thereof and one for each additional hundred. No church shall be entitled to more than ten messengers.

ARTICLE IV - Powers and Prerogatives

1. The Association shall have no right to infringe upon the sovereignty of the churches. All the churches constituting the Association remain soverign and independent bodies. It may advise the churches, and recommend measures for their adoption, but cannot bind them in any way. However, it may justly claim for itself, for its objects, and for its recommendations the very highest consideration and regard.

2. The Association may at any time dissolve connection with any church that becomes heterodox in doctrine or disorderly in practice or that fails to represent itself either by messengers or letter for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. This cause fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body. The Co-operative Program shall be the recommended means for the support of Convention objects.

ARTICLE V - Duties of the Church

It shall be the duty of each church to appoint as far as practicable capable and efficient members as messngers--to insist upon their attendance and to send with them a contribution toward the expenses of the Association, the printing of the Minutes and such other items deemed necessary by the Association.

The churches shall send annually a letter to the Association giving full statistical information and facts concerning their general welfare. These letters shall be sent to the clerk as soon as possible after the end of the Associational year.

ARTICLE VI - Reception and Continuation of Churches Within Fellowship

The Association shall be sole judge of its membership and may receive or reject churches applying for membership therein at its pleasure. Orthodox and orderly churches petitioning by letters from another Association of Missionary Baptist Churches, or newly organized Missionary Baptist Church desiring membership and presenting their articles of faith, shall be welcomed, provided the churches making request for admission shall agree to come under the watch-care of the Association for a period of at least two years. The letters of petition shall be submitted to the Associational Missions Planning Committee. This committee shall ascertain the facts regarding scriptural organization and orderly practice of the church, and evidence of missionary and beneficient fervor in its work.

The Mission Planning Committee will receive written quarterly reports from the church. If found satisfactory, the committee shall at the next annual meeting of the Association recommend its reception. If not found satisfactory at the end of the two-years of watch-care, the committee shall continue to work with the church towards its admission into the fellowship. Upon the recommendation of the committee the Church shall be admitted to membership upon a three-fourth vote of the members present. It is understood that during the period of probation such church or churches shall be entitled to all rights and privileges of the Association except that of voting.

In like manner churches of the Association shall be expected to continue in the spirit and practice expected of new-member churches. Those churches admitted into fellowship in the Association, and all churches composing the membership of our Association, shall be expected to practice the requirements made upon churches applying for membership, with the exception that only watch-care churches be required to submit quarterly written reports to the Missions Planning Committee. At any time a church is found by the Associational Planning Committee to be delinquent or negligent in complying with the letter and spirit of this Constitution such a church shall be placed on probation for a period of twelve months. If at the end of this period the church fails to comply with the letter and spirit of the Association's Constitution, it shall cease to be listed as a member of the Union Baptist Association.

SUNDAY SCHOOL

"The tasks a Sunday School has to accomplish on behalf of a church makes it indispensable. The first task of a Sunday School is to teach the biblical revelation - the written account of God's revealing Himself to man in historical events." -- A. W. Washburn.

Surely the foregoing statement of our beloved Sunday School secretary needs application in Union Association Sunday Schools.

We thank our heavenly Father and all the Sunday School workers in our association for the accomplishments of this past year. We have had four associational meetings which were well attended. Most of our churches have reported having Vacation Bible Schools (51 out of 56). Several of our people from our churches have attended Sunday School conferences at Fruitland, Ridgecrest, and Caswell this summer.

The five points of good Sunday School work given to us by the late Arthur Flake are still imperatives if we are to have the best work done in our schools. They are;

(1) Know your possibilities (take a census)
(2) Enlarge your organization (elect more workers)
(3) Provide more space
(4) Train more workers
(5) Go after the people who should be in Sunday School (visitation)

There are specific needs that are very apparent to me, and among the most important are: first, more adequate building facilities with a major interest in departmental grading of our schools;

second, more and better equipment to work with;
third, better trained and enthusiastic workers;
and fourth, a sense of divine mission.

Respectfully submitted,
T. A. Sheppard, Supt.

TRAINING UNION REPORT

The Training Union department of our association was very active during the past year. We held our regular quarterly meetings as follows:

1 - Executive committee meetings with an average attendance of 13
2 - The Officers and Leaders Conferences with an average attendance of 99.
3 - Mass meetings with an average attendance of 273
4 - "M" Night with an attendance of 814.

We also participated in, sponsored, or promoted the following:

1 - The Clinic for Church Officers and Committees.
2 - Youth Week and Yough Night.
3 - The Associational Training Union Tournaments. From these we sent 8 Junior boys and girls to the state finals of the Memory Work Tournaments with 7 of them winning first place. Also, our representative in the young people's Better Speakers' Tournament was our regional winner and also placed near the top in the state finals.
4 - Urged all churches to have a Study Course.
5 - Associational workers of the Training Union department taught in five study courses with 195 awards being earned on the manual, with another 62 on missions.
6 - Sent to our churches 1, 330 pieces of first class mail.
7 - Organized two NEW Training Unions - one at NEW HOPE and another at KING STREET.

Respectfully submitted,
J. Vann Williams, Director

BROTHERHOOD REPORT

The Brotherhood work presents a real challenge to laymen and ministers of this

association stronger now than ever due to the progress being made on the Royal Ambassador Camp near Asheboro.

Despite being handicapped by the resignation of our greatly loved Field Worker, P. E. Jones, for a large part of the year, the Brotherhood work has had a fine year.

There were four Associational meetings held during the year. A most inspiring program was attended and enjoyed at Sandy Ridge on November 16, '62 by a large number of men and boys. One of our retired missionaries, Rev. J. J. Cowsert, made a wonderful report on the work in Brazil and presented a challenge that had everyone present intently listening and silently praying.

The second meeting was held with West Monroe, on February 15th, with another wonderful program being presented under the direction of Mr. Max Melton, World Missions Leader.

The third meeting was held with Benton's Cross Roads church on Friday, May 17th, at which time Mr. Kenneth Griffin, Stewardship Leader, presented the chairman of Camp CaRAway committee, Rev. Roger Bell, of High Point, N. C. Mr. Bell presented in detail, plans of development and uses of the camp in years ahead. At this meeting we had as our guests a number of ladies from the W.M.U. societies of our association and visitors from the Sandy Run Association near Rutherfordton, N. C.

Our fourth and probably the best of our meetings for the year was again the one in which the men were hosts to the Royal Ambassadors. This was another supper meeting at which time we enjoyed for the second year a delicious meal prepared by the ladies of the Mill Creek W.M.U. and G.A.'s. The R.A. leader presented the boys in another wonderful program of slides and comments by the boys; after which the leaders of this department presented the awards to the different groups.

Everyone I have been privileged to work with this year has worked earnestly to make the Brotherhood and Royal Ambassadors of this association more nearly a model to watch.

May we now ask and receive your support and above all your constant prayers. The challenge is too great and we are too weak to meet it without the support of all.

Respectfully submitted,
C. E. Perry, Brotherhood President

ASSOCIATIONAL MUSIC MINISTRY REPORT

The Associational Music Committee has labored under mounting difficulties this past year. As has been true in all facets of our associational program, the Associational Music Officers have felt keenly the loss of our Field Worker, Brother P. E. Jones, whose presence at music meetings and whose encouragement and steadfast support meant much to each of us. In June we also suffered the loss of our Director of Training, Mrs. Charles Tucker, who with her husband and family, left our association to return to the pastorate.

However, our greatest difficulty has been the seeming lack of interest in the meetings of the music ministry on the part of pastors, music directors, and people. Members of the Music Committee worked diligently to prepare, publicize, and conduct interesting and helpful programs, but in every case attendance at these meetings was pitifully small. For example, at the December Carol Sing in the Wingate College auditorium, the audience numbered fewer than the participants on stage - less than 35 people. For the first quarter of 1963 it was decided to conduct music conferences in about four widely scattered churches in the association, in the hope that more of our folk might participate than had previously attended centralized meetings at one church. This conference, on "Music in Revivals," was

again very poorly attended, fewer than 15 persons at any of the churches, two having fewer than 10. The second quarter Hymn Sing at the Sardis church, admittedly, came at an inopportune time, several schools having graduation programs that night, May 28. However, although the graduation programs were in the Sardis area, most of the people at the Hymn Sing were members of the Sardis church. Attendance again was below 25. The July meeting, held in the air-conditioned West Monroe sanctuary, featuring a taped address by State Music Secretary, Joe Stroud, a Revival Choir made up of choir members from various churches in the association, and testimonies as to the meaning of music in revivals, also included singing of old and new songs and hymns by the choir and congregation. The centrally located and comfortable surroundings for the meeting, newspaper and other advance publicity, and a well-prepared program should have been much better attended, although this was the best attended of the meetings of the year to date.

The most disturbing factor in the work has been the failure to enlist the attendance and support of most of our pastors and music directors. Can it be that we are satisfied with the quality of participation in the music ministry of the local churches? As has been pointed out in the past annual reports of your Associational Music Director, the Music Committee stands ready to offer whatever assistance it is capable of offering, but we cannot, and would not, coerce participation in training opportunities. The effectiveness of the Associational Music Ministry is limited to the degree of cooperation accorded by pastors, music directors, and people.

Your Director wishes to express deepest appreciation to the Music Officers who have served so faithfully during the past year. It is the prayer and earnest hope of your Director that the new associational music officers for the coming year will have the prayers and support of all our people.

Respectfully submitted,
Oliver J. Yost, Associational Music Dir.

WOMAN'S MISSIONARY UNION REPORT

"Anniversary" has been a key word during the past W.M.U. year. We have celebrated the 75th Anniversary of Woman's Missionary Union and also the 50th Anniversary of Girls' Auxiliary work in the Southern Baptist Convention. In most of our associational and local church meetings, we have featured these anniversaries, not for the sake of boasting of accomplishments, but in order to deepen our appreciation for those who founded the work, and to rededicate ourselves to greater mission efforts in the future. Special Anniversary Goals were set up for all organizations and intense effort was made to reach these goals.

During the year the following associational meetings were held:

October:	Leadership courses taught at Hopewell, Marshville, and West Monroe.
	Quarterly meetings of Associational Girls' Auxiliary and Young Woman's Auxiliary.
January:	Mission Study Institute at Monroe, First Baptist Church.
February:	A three-day conference for Spiritual Advance led by state Woman's Missionary Union personnel.
April:	Annual Woman's Missionary Union meeting at Wingate Baptist Church.
June:	Associational bus load (33 girls and 4 counselors) to Memphis, Tenn., for G.A. 50th Anniversary Convention.

August: Sunbeam Day Camp at Shiloh Church.
September: Associational Leadership Conference.

We begin the new year in the spirit of our new Woman's Missionary Union Hymn, "O God, Our Help in Ages Past, Our Hope for Years to Come."

Respectfully submitted,
Mrs. J. Howard Williams
Associational W.M.U. President

EVANGELISM REPORT

As we close the record book upon another associational year, we humbly thank our heavenly Father for the victories won, and we turn our attention to the task before us.

During the year the churches have reported additions as follows:

By baptism-430 By letter-344 Total-774

There is much to be done as we continue our efforts to get ready for the great endeavor before us in 1964. We, in our own strength, cannot bring a revival but there is no record in history of a revival among God's people against their will. History reveals that every spiritual revival has come only when God's people had longed for it and earnestly prayed for it. Also, a fervent proclaiming of the Gospel has always been in evidence when God poured out His spirit in power upon His people. Of course, this means that revivals are of God but it also means that He uses His people in them.

1964 has been designated as the climactic Jubilee year for our best effort under God in evangelism. Plans call for Jubilee Revivals in every Baptist church on the North American continent.

Southern Baptist's TOP PLANS for 1964 are listed below. We should prayerfully study them and follow them as the Holy Spirit leads.

REPORT ON GOOD GOVERNMENT

Government was ordained of God for the good of mankind, according to the apostle Paul, as recorded in Romans 13:1, "The powers that be are ordained of God." The fact that God meant, Good Government, is evident in His Word here and in many other references. As we understand, Paul is here speaking about civil, instead of celestial government. That is, government of the people, for the people and by the people. Yet, we know from observation that good government is impossible aside from the Word of God. The kind of government God speaks of as being good will seek to carry out the principles set forth in I Peter 2:17 - "Honor all men. Love the brotherhood. Fear God. Honor the king."

To have the kind of good government God speaks of in His Word, it is necessary to have Christian principled rulers, who understand authority and how and when to exercise it. They must perform their duties according to the Word of God as found in II Samuel 23:3 - "He that ruleth over men must be just, ruling in the fear of God."

Likewise, we must have citizens who desire to follow the leadership of such rulers. To have good government, laws must be enacted and enforced by the governmental officials, and obeyed by all citizens according to Paul's admonition to the Roman Christians - "Let every soul be subject to the higher powers." Therefore, just rulers and obedient citizens are both needed to guarantee good government. One without the other will fail.

Also, let us be reminded that there are some very important items in good government, which must be practiced by the people. Here are a few: (1) Civic righteousness, which will exalt a nation, according to Proverbs 14:34 - "Righteousness exalteth a nation." . . .(2) Patriotism, as practiced in the days of Isaiah the prophet, as recorded in Isaiah 66:10 - "Rejoice ye with Jerusalem, and be glad with her, all ye that love her." . . .(3) Taxation that is just and needful, as was recognized by Jesus in Matthew 7:24-27 - when he told Simon Peter to take the piece of money found in the mouth of the fish and pay it for tribute, or tax. Then, again in Matthew 22:21, when he admonished the religious leaders of that day to - "Render therefore to Caesar the things which are Caesar's." These three basic items, and many others, are necessary for good government. When they are practiced by rulers and citizens alike, good government will be the result.

Then with that kind of good government, our national, state and municipal governments will have no excuse for going into the intoxicating beverage, and gambling businesses to raise funds as revenue to educate our children, and finance our government.

In the light of the foregoing facts, are we in the process of practicing good government in the nation, state and our own municipality? If so, then why did the citizens for legalized liquor out-vote the citizens for good government, in our last city referendum? Also, why did Christian America, as a great nation go into the liquor business for revenue if its citizens are practicing good government? Another good question is - why do we have more deaths on our highways, caused by drinking drivers, than were killed in all the wars, if we desire good government? Then, too, why are we so heavily taxed on our meager income, and our national government, along with our city governments, telling us they must go into the legal liquor and gambling businesses to help supply revenue to finance their programs and projects? There is something out of focus from the center to the circumference, when these things are looked upon by rulers and citizens as good government.

We will have good government when civic righteousness and Christian patriotism are practiced from the highest office of the nation, throughout the highest offices

of our cities, and among all of our citizens. Then and only then will we realize the meaning of Amos 5:24 - "..let judgment run down as waters, and righteousness as a mighty stream."

RADIO AND TELEVISION REPORT

The Southern Baptist Radio and Television Commission becomes more important with every passing year. Through more than 1100 radio and television stations the gospel is preached to more than fifty million people each week.

THE BEAM, a monthly publication of the Commission, has a new look. There are many interesting features, from world radio and television, to the scrapbook. The features range from our Baptist Hour sermons to a careful study of television programs that the family can watch. These are features that go to make up the best all around monthly publications on the market.

This year the Radio and Television Commission has a new program on television. It is a documentary film and will be shown four times during the year. World famous news commentator Frank McGee will be the narrator. Watch your television listings for time and station.

We sometimes forget to pray for others who are working for our Saviour, Jesus Christ. The Radio and Television Commission works for the glory of God. They

do much for the kingdom that others cannot do. Give more and pray harder for all our work and especially for the Radio and Television Commission.

Alfred R. Wright, Committee Chairman

REPORT ON CHRISTIAN EDUCATION

We are more strongly convinced than ever that the denominational college plays its most vital role in its production of Christian leadership, not only in Christian vocations such as the ministry, missions, evangelism, church music, religious education and related fields. More particularly, it is contributing a vital leadership through laymen who are serving in many capacities in local communities.

This past year on Christian Education Day the emphasis was on Missionary Alumni who are serving all around the world. Dr. Baker James Cauthen reminds us that Baptist colleges are sending hundreds of graduates back into the local community with a direct interest in missions and other phases of church work. Baptist colleges are taking seriously the task of producing Christian leadership for our times.

The Council on Christian Education is designating the theme "Christian Vocational Day" as our emphasis for 1964, mindful of the real dangers which our denomination faces with a decline in the number of young people answering the call to full-time Christian service. This will be a day for "calling out the called," the day in which the colleges will join our churches in appealing to young people to heed the call to the ministry, missions, evangelism, and to prepare themselves to accept positions of leadership in many areas of our Baptist and community life.

In order to make this more effective our Christian Education Day offering needs to be strengthened to help those young people answer the call to full-time Christian service and to go to college. Many fine scholarships are available for young people to enter the technical training program but almost none for those who desire to enter Christian vocations.

This committee urges the churches of our Association to encourage every prospective ministerial or missionary candidate to go to one of our Baptist colleges. Also, it is appropriate and commendable for the local church to assist financially a student who cannot make the grade on his or her own.

Southern Baptists now operate 73 schools: 6 seminaries and a joint operation with National Baptists of another seminary, 35 senior colleges, 19 junior colleges, 7 academies, and 5 Bible schools. Two of the junior colleges are in the process of becoming senior colleges. Enrollment of total students reached a record high this past year of 80,987 students. Gifts from the State Conventions and Southern Baptist Convention amounted to $15,514,770-a decrease from the previous year.

We are fortunate to have one of these Baptist schools in our Association. The total enrollment in our seven Baptist colleges in the state last year was 9,189. Wingate College enrollment was 1,012. There are many ways in which we can give support to Wingate this year, especially in placing the College in our church budget for financial support.

There are four challenges for Christian higher education:

1. The challenge presented by the plight of modern youth who are desperately trying to find the meaning of existence in a world which their elders did not know, a world teetering on the brink of atomic destruction on one hand and staggering under the burden of military training on the other.

2. The challenge of Christian leadership in a world for the past several years of which has watched an alarming decline in the number of men and women committing themselves to the Christian vocation.
3. The challenge of liberty and individual freedom and dignity in a world which has witnessed a dehumanization of man on every level.
4. The challenge of a culture which has radically changed from Christian to non-Christian in practice and world view.
5. The challenge of high academic standards and competent teaching.

Each local church can organize a program to help prepare young people for college. We feel that this would be a very vital step in the encouragement of young people to attend college and in their adjustment to college life.

Respectfully submitted,
C. Arthur Francis, Chairman

The opportunity of serving persons created in the image of God is a high and holy privilege.

You and I have such an opportunity in multiplied thousands of people who are sick in body, mind and spirit, and who come to our Baptist Hospital seeking help. We reach out the hand of love and mercy through the skilled and dedicated hands of our doctors, nurses, chaplains, and many others involved in this ministry to the total person. We are grateful for this opportunity of joining hands with those who soothe the fevered brow, give the miracle drug, guide the surgeon's knife, bring the message of hope, and do the hundreds of other tasks which are necessary in the operation of our great Medical Center.

The number of those who receive the services of our Hospital this year will be greater than the population of one of our medium-size North Carolina cities, such as Goldsboro or Salisbury. Most of them will be seriously ill and referred by their family physicians because they need the kind of care available only in a large medical center. They will come from all areas of our state and from all walks and circumstances of life. What a privilege it is to serve these friends in need and what a challenge to our skills and our compassion!

The Mother's Day Fund, which we provide by our special offerings or by an item in our church budgets designated for the Hospital, is the means through which we make it possible for those who cannot pay to have the care they need. The $176,000 which the Hospital receives from the Cooperative Program provided by our churches must go to help pay for buildings, purchase equipment, and support the Department of Pastoral Care.

We call attention to the Service Patient Endowment Fund of the Hospital which we may place in our wills for any amount, or contribute to at any time, and thus continue to be a part of this service of love through the years after we are gone.

We wish to thank our people for their share in this ministry and call upon them to make their support a worthy expression of their Christian concern.

Respectfully submitted,
F. E. Baucom
Hospital Representative

BAPTIST CHILDREN'S HOMES

More children were served by the Baptist Children's Homes of North Carolina last year than ever before in history. This was made possible by the interest,

prayers and giving of North Carolina Baptists and other friends. We are indeed grateful for every remembrance--the Thanksgiving offerings, once-a-month offerings, Cooperative Program gifts, food, clothing and other things. Without these we could not provide the many services which we do.

The physical, mental, social, and spiritual growth and development of our children has been most gratifying. North Carolina Baptists have every reason to rejoice with the very fine response of these boys and girls to the Christian love and care afforded them. Members of an already fine and capable staff continue to grow in their love for children and their ability to work effectively with them.

We have been reminded for several years of a growing need for specialized services for an increasing number of children who suffer emotional illness. We are happy to report that these services are being provided a limited number of children in a small home at Chapel Hill in cooperation with the University Medical Center. They are receiving the best professional, medical help that can be provided. We are most fortunate to have this facility. It will strengthen greatly our entire program of child care.

We are compelled to keep our pressing needs before you. Applications for the admission of children are increasing. Relatives, pastors, friends of dependent children, departments of public welfare and others plead with the leadership of the Homes daily for help. A familiar plea is, "Unless you can help this child, there is no hope for him." We lay upon your hearts three areas of need:

(1) An immediate increase in the number of children in good Christian foster homes in all areas of the state.
(2) Continuous expansion and up-grading of facilities to enable the Homes to keep abreast of the best in child care.
(3) An increase in financial support to undergird and strengthen the entire program.

A generous Thanksgiving offering is a must! Without it we cannot maintain what we now have in progress. We should challenge pastors, Sunday School superintendents and church leaders to make the best preparation possible for the forthcoming offering. Giving for the care of dependent children affords one of our greatest joys in Christian service.

Financial support for the past year has come from the following sources:

Cooperative Program	33 Per Cent
Thanksgiving Offerings	30 Per Cent
Once-a-Month Offerings	16 Per Cent
All Other	21 Per Cent

CHARITY AND CHILDREN, the official publication of the Homes, is now in its 76th year of publication and is widely read by our Baptist people. It has long been one of the best religious papers published among Southern Baptists. An issue can be enjoyed each week for only sixty cents.

Respectfully submitted,
T. A. Sheppard, Committee Chairman

NORTH CAROLINA BAPTIST HOMES REPORT

God has blessed ministry of our North Carolina Baptist Homes in a wonderful manner during the twelve years of our operation, and the past year has been filled with His goodness.

We are now able to serve 160 residents in our four Baptist homes--the Hayes Home and Resthaven in Winston-Salem, the Albemarle Home at Albemarle, and the Hamilton Home at Hamilton.

In June of 1962, the doors of the lovely new Hamilton Home were opened to the first residents, and the halls have been ringing with the laughter and the happiness of the residents there since. This beautiful facility has greatly lengthened and strengthened the arm of our total ministry, and has already brought much joy to our Baptist people in eastern North Carolina. We are looking forward to the day in the future when the arm of compassion can be extended to reach and serve more of our aging people in western North Carolina.

The greatest single need is for more space continually. Today there are 160 people waiting for admission, from all areas of our great state, and it is an heart-breaking experience to keep these dear people waiting who so urgently need to come.

The average age among our residents is 80. Our youngest resident is 65, and our oldest resident will be 102 in July. Between this age span, we are seeking to meet almost every conceivable life need of the individual. Each person, in an atmosphere that is distinctly Christian, is surrounded by love, peace, and security. Perhaps one of the greatest single contributions that is made is the nursing care that is given in the event of illness. The resident is assured that he will receive tender loving care in sickness as well as in health. Years are literally added to the life of a person in our care, we feel.

The tie with our Baptist people and our Baptist churches is a blessed one indeed. We are continually dependent upon the prayers, the visits, the loving concern, and the financial support of our people. The two most vital media of support from the churches are the Special Day Offerings, received on the third Sunday of February each year, and the Homes' share in the Cooperative Program. Inasmuch as we receive only 1.3% of the State Convention's share of the Cooperative Program, we shall have to continue to look to the Special Day Offerings for the greater part of our support from the churches.

North Carolina Baptists have given a good account of their stewardship in their ministry to the aging during these years of a wonderful beginning, and we have the faith to believe that they will continue to move forward in this great area of human concern.

Respectfully submitted,
Julius W. Digh, Committee Chairman

CHRISTIAN LITERATURE REPORT

We are grateful for all of our Christian literature that comes into our churches.

The Bible, of course, is the Book of all books and is priceless, but I am grateful for the BIBLICAL RECORDER and CHARITY AND CHILDREN.

The BIBLICAL RECORDER has been a valuable instrument of communication among North Carolina Baptists almost since our State Convention was organized, it being only three years younger than the Convention. Where else can anyone get so much good information concerning the work of our churches and state work as in the BIBLICAL RECORDER?

Through the RECORDER'S straight-forward editorial page and many letters to the editor, we can certainly have a good idea about the thinking of North Carolina Baptists on almost any subject.

I would like to give a word of personal testimony concerning this paper. Seven years ago our church placed the RECORDER in every home of our church membership; we have seen it do a great work among our people. A few Sundays ago, we voted to renew for another year. Our people read it, and look forward to getting it each week.

CHARITY AND CHILDREN is another of our papers which all our members receive. This publication of our N. C. Baptist Children's Homes informs us of what is happening in these institutions and many other interesting subjects.

I appreciate the information that it gives to all its subscribers. It now has a circulation of around 55,000 copies.

We all love CHARITY AND CHILDREN because it is identified with the ministry of child care.

Respectfully submitted,
Vance Edwards, Committee Chairman

MINISTER'S RETIREMENT REPORT

As of April 1, 1963, there were 15,964, or 49% of the total churches in the Southern Baptist Convention participating in the Annuity Board's retirement program for their pastors. Out of a total of 212 educational institutions, hospitals, children's homes and homes for the aged, 121 are enrolled in an Annuity Board retirement plan with their employees. Total membership in all the Board's retirement plans is approximately 25,000.

The Southern Baptist Protection Plan now provides a special death benefit for all members, both ministers and denominational workers, under 40 years of age. It covers both natural and accidental death. If the member dies of natural death before age 40, the benefit provides a cash settlement to the member's widow or estate equal to the average salary on which dues were paid. If he dies because of an accident, the cash settlement will be double the average salary. There is no added cost for this special death benefit, which is in addition to the regular retirement, widow and disability benefits of the Protection Plan. The benefit is easy to figure. Suppose a member dies at age 32 of natural causes, and the average salary on which he had paid dues in the Protection Plan was $3,550. His widow or estate would get a cash settlement of $3,550, plus the regular widow benefits. If he is killed accidently, his widow or estate would receive twice this amount, $7,100 plus regular widow benefits.

More than $41 million have been paid in relief and annuity benefits by the Annuity Board since its beginning in 1918. Last year these benefits totaled more than $3 million, and were paid to more than 4,500 ministers and denominational workers or their families, who were members of a retirement plan, and to approximately 750 on the relief rolls.

The Annuity Board field representative for North Carolina is Guy Cain. (Dr. R. Alton Reed is executive secretary with offices in Dallas, Texas.) Mr. Cain promotes the Board's retirement plans, trying to enlist all those pastors, churches and denominational employees who are not enrolled in the program in North Carolina. He also conducts a program of education, helping those who are in the plans to know more about the provisions they have for the future, and advising them if they should seek additional protection through a supplemental plan with the Board.

Rev. Cain is available to speak to a group in the church or association, or for personal conference about any phase of the Annuity Board's work. His address is: 301 Hillsboro St., Raleigh.

THE COOPERATIVE PROGRAM

The Cooperative Program is a plan through which every Baptist church in the Southern Baptist Convention and every individual who is a member of one of these Baptist churches may support the world ministry committed unto them by the Lord Jesus Christ in the Great Commission. We, as a denomination, have discovered through years of experience that the Cooperative Program provides the most practical way of meeting all needs with the least effort and the lowest cost to produce the greatest results.

Someone has suggested that, "The Cooperative Program is the love of God in action - the hands of Christ at work." Churches as well as individuals that participate may enjoy the thrilling experience of preaching the Gospel to the lost multitudes in 53 different countries where our 1685 missionaries are serving. At the same time each can have the experience of sharing in the ministry of our Home Mission Board and the various institutions and agencies at home and abroad as they minister to the body, the mind, and the soul. This is the only program whereby an individual or a local church may perform such a tremendous task.

This year through the Cooperative Program 51 churches in Union Association have participated in this world-wide effort; this means that 5 churches did not share in this plan at all. (Last year, 1961-62 there were eight churches not giving at all to the Cooperative Program, an increase of 3 more giving this year.

Surely the love of God constrains us and world conditions challenge us as pastors and church leaders to work toward the goal of planning and adopting an adequate budget in each of our churches. In this budget we will want to place a definite amount or percentage to be given through the Cooperative Program for World Missions. With prayer and dedication we can have one hundred percent of the churches in Union Association supporting the lifeline of World Missions, the Cooperative Program.

Wendeall Stegall

N. C. BAPTIST FOUNDATION, INC.

Since, July, 1962, the North Carolina Baptist Foundation has established an office in the Baptist Building with a full-time Executive Secretary and secretarial help. This is the first time in the history of the Foundation that it has engaged in full-time emphasis. The activities of the Executive Secretary have been varied. One of the purposes of the Board of Directors has been to carry the message of the services offered by the Foundation to as many associations as possible; into as many churches as possible; and to as many individuals as he has had the opportunity. These contacts have been quite stimulating and it remains to be seen what results will accrue.

On June 30, 1962, we reported to you that the assets of the Foundation amounted to $303,186.66. The assets of the North Carolina Baptist Foundation as of June 30, 1963, were $324,256.39. Since the close of business last year in June, 1962, the Foundation has technically in its control two estates of rather large size. The estate of R. Sterling Graves amounts to approximately $440,000. The estate of T. F. Pettus is in the neighborhood of $110,000. Both of these estates are in the hands of the trustees of the estates and for all practical purposes they will be

turned over to the Foundation in the very near future. These two estates will push our assets to over $870,000. The Baptist Foundation has emphasized the fact over and over again that it exists to serve ALL Baptists. Those who have relatively small amounts of money, personal property or other real assets, will find the Foundation is just as anxious to serve them as it is to serve the larger estates. It is a fundamental belief of the Directors of the Foundation that the Foundation exists to serve ALL Baptists.

The Baptist Foundation Board of Directors and the Executive Secretary wish to express their deep appreciation to the various organizations, institutions and agencies that have assisted them with the promotion of the Foundation program. We solicit your continued support and hope that the Foundation will be better able, year by year, to render the services for which it was established.

C. Gordon Maddrey
Executive Secretary
N. C. Baptist Foundation, Inc.

ORDINATION COMMITTEE REPORT

The Ordination Committee examined four men for the ministry this year. This committee always invited all the ministers of the county to form the presbytery for the examination.

The men examined this year, each time at the First Baptist church in Monroe were:

W. H. Musselwhite - Jan. 21, 1963
Thomas Lomax - October 16, 1962
Craven Williams - February 2, 1963
Alfred Helms - June 1, 1963
Raymond Price - June 29, 1963

These men were questioned about their conversion, call to the ministry, their belief in God, the church, the mission program of the church, the ordinances of the church and qualifications and preparation for the ministry. All of these candidates answered satisfactorily and were recommended for ordination. They are now serving as active pastors.

*The Baptists of this Association came directly from the efforts of the early Christian workers of Wales and England. Their first settlements were in Old Welsh Neck section in South Carolina and Old Sandy Creek section in Chatham County. Union County Baptists came from the Old Welsh Neck Section. The Welsh Neck Baptist Church was organized in 1738. In 1793 Lanes Creek Church was organized about two miles West of Philadelphia Church. This Church was the stock of the Welsh Neck Church. The churches that came out of the Welsh Neck Church organized into the Moriah Association in 1815. For convenience of the North Carolina side of the Moriah Association, the Brown Creek Association was formed in 1854. In 1885 the name of Union Association occurred.

CONSTITUTION

OF THE

UNION BAPTIST ASSOCIATION

ARTICLE I - Name

This body shall be known as the Union Baptist Association of North Carolina.

ARTICLE II - Purpose

It shall be the object of this Association to promote the Kingdom of God on earth in compliance with New Testament principles, and in co-operation with the Baptist State Convention and the Southern Baptist Convention. It shall also devise and promote measures for increasing the harmony, intelligence and spiritual power of the churches.

ARTICLE III - Membership

The Association in the transaction of business, shall be composed of the pastors of the churches constituting it and the duly elected messengers of the churches. Each church shall be entitled to three messengers for the first hundred members or fraction thereof and one for each additional hundred. No church shall be entitled to more than ten messengers.

ARTICLE IV - Powers and Prerogatives

1. The Association shall have no right to infringe upon the sovereignty of the churches. All the churches constituting the Association remain soverign and independent bodies. It may advise the churches, and recommend measures for their adoption, but cannot bind them in any way. However, it may justly claim for itself, for its objects, and for its recommendations the very highest consideration and regard.

2. The Association may at any time dissolve connection with any church that becomes heterodox in doctrine or disorderly in practice or that fails to represent itself either by messengers or letter for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. This cause fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body. The Co-operative Program shall be the recommended means for the support of Convention objects.

ARTICLE V - Duties of the Church

It shall be the duty of each church to appoint as far as practicable capable and efficient members as messngers--to insist upon their attendance and to send with them a contribution toward the expenses of the Association, the printing of the Minutes and such other items deemed necessary by the Association.

The churches shall send annually a letter to the Association giving full statistical information and facts concerning their general welfare. These letters shall be sent to the clerk as soon as possible after the end of the Associational year.

ARTICLE VI - Reception and Continuation of Churches Within Fellowship

The Association shall be sole judge of its membership and may receive or reject churches applying for membership therein at its pleasure. Orthodox and orderly churches petitioning by letters from another Association of Missionary Baptist Churches, or newly organized Missionary Baptist Church desiring membership and presenting their articles of faith, shall be welcomed, provided the churches making request for admission shall agree to come under the watch-care of the Association for a period of at least two years. The letters of petition shall be submitted to the Associational Missions Planning Committee. This committee shall ascertain the facts regarding scriptural organization and orderly practice of the church, and evidence of missionary and beneficient fervor in its work.

The Mission Planning Committee will receive written quarterly reports from the church. If found satisfactory, the committee shall at the next annual meeting of the Association recommend its reception. If not found satisfactory at the end of the two-years of watch-care, the committee shall continue to work with the church towards its admission into the fellowship. Upon the recommendation of the committee the Church shall be admitted to membership upon a three-fourth vote of the members present. It is understood that during the period of probation such church or churches shall be entitled to all rights and privileges of the Association except that of voting.

In like manner churches of the Association shall be expected to continue in the spirit and practice expected of new-member churches. Those churches admitted into fellowship in the Association, and all churches composing the membership of our Association, shall be expected to practice the requirements made upon churches applying for membership, with the exception that only watch-care churches be required to submit quarterly written reports to the Missions Planning Committee. At any time a church is found by the Associational Planning Committee to be delinquent or negligent in complying with the letter and spirit of this Constitution such a church shall be placed on probation for a period of twelve months. If at the end of this period the church fails to comply with the letter and spirit of the Association's Constitution, it shall cease to be listed as a member of the Union Baptist Association.

The Associational Missions Planning Committee shall be the responsible committee for the study of a church's life for membership and application shall follow the above specified procedure for admission.

The Association continues in this regard to be the final authority in the action relative to this article.

EVANGELISM REPORT

These are tremendous days in which we live. Billions are being spent for getting men to the moon, while comparatively little is spent for getting men to God. Multitudes sit in darkness, and many in despair, while the forces of darkness move constantly in a dedicated abandon toward their objectives.

The number of hopeless people-hopeless because they do not know Christ-grows daily. The world's population is increasing by 48,000,000 per year. All religions are winning only 10,000,000 per year.

Many of these lost people live in the territory of our Association. They live near our churches. In regard to their need for God they have been deluded by the powers of darkness, and numbers of them disillusioned by the apathy and lack of dedication to Christ on the part of professing Christians. In this desperate day God's people must wake up to the fact that "business as usual" will not suffice. Surely this is time for total dedication to Christ in His purpose of winning the multitudes to God.

To move forward we must start from where we are. Our Association is the best launching place for new frontiers in Evangelism and Missions.

Therefore we recommend:

1. That we encourage ourselves in the Lord our God for resurging interest in Evangelism across our Convention, continuously praying that God may work in us, and through us, to bring the revival we need.

2. That each church prayerfully consider participating in at least two revivals each year, and that special emphasis in all revivals and week by week Evangelism throughout the year be placed upon personal, face to face, heart to heart soul winning,

and faithful teaching and preaching the Gospel.

3. That our Association make every effort in order to win at least 50% more in the New Associational year than we have won in the past year.

Respectfully submitted,
Dan W. Silver, Chairman

MUSIC REPORT

The high-light of the Associational Year, in the music ministry at the date of writing of this report, was the Associational Choir Festival in May. It is hoped that the small beginning made in this event marked the inauguration of an annual opportunity for Choris of our churches to meet in a learning situation- not a contest!- and to benefit from the comments of experienced church musicians who serve as judges. While only four choirs participated in the festival, choir members and their directors were eager to prepare for next year's event, having been encouraged by the ratings and comments of the judges. Miss Betsy Ann Forbis of McGill St. Baptist Church, Concord; Mr. Jackie Gill of Matthews Baptist Church, and Mr. Bob Williamson of First Baptist Church, Lancaster, S.C., the judges, expressed warm commendation of the work done in this initial choir festival.

Proceeding the festival a Music Conference was conducted in February, for the purpose of acquainting choir directors and choir members with suggested procedures for preparing for choir festivals. Again, it must be regretfully reported that a very few of our choir directors availed themselves of this opportunity. It is our firm conviction that if our pastors and music leadership would attend our Associational Music meetings in greater numbers there would indeed be a revival in the worship services in our churches, spearheaded by the music ministry.

"Music That Honors God" was the theme of the July Hymn Sing at the Hamilton's Cross Roads Baptist Church. This Hymn Sing departed somewhat from the usual format in that a film-strip was utilized in conjunction with the singing. Seven churches were represented and the singing was enthusiastic - which, by the way, means "God-Filled."

Another Music Conference is scheduled for October 20, and the Annual Carol Sing date is December 1.

While progress has been almost painfully slow and there is still so much to be done toward improving participationand quality in the music ministries of our churches, your Associational Music Ministry is encouraged by the faithful support of our Field Worker, Rev. Claude H. Hamby; Our Moderator, The Rev. R.V. Greer, and The Rev. J. Dewey Hobbs, former pastor of the Wingate Baptist Church, who realize the values of music. To these, and to the Associational Music Officers, your Music Director extends his sincere thanks. For what has been accomplished, and for what may still be done, by the grace of God and the cooperation of His People in Union Association, the title of the Hymn for 1964 is a most appropriate ascription: "To God Be The Glory"!

BAPTIST CHILDREN'S HOME REPORT

Helping children and young people to grow and develop toward Christian maturity is one of the greatest privileges in life. It is the purpose of the Children's Homes to

develop the highest quality of men and women possible out of boys and girls who are served. Careful attention is given to their needs, both present and future.

Children are accepted as they are when they come to the Homes. In the spirit of Christ, they are recognized for their sacred worth and value. They are provided food. clothing and shelter. But of greater importance than material things is the genuine interest, concern and love given every child by the Christian men and women who work with them. Many children who have known only heartbreak and tragedy learn to love again - learn to trust in themselves, in adults and in God.

A member of this year's senior class expressed her appreciation for the Children's Homes in the following way: "Living at one of the Homes has given me a chance to make something out of myself. I have been afforded the opportunity of getting a good education. Things have been learned and friendships have been formed which will bless my life as long as I live. Best of all I have learned to know, to trust, to follow and to serve Christ as my Saviour. I want North Carolina Baptists to know how very much I appreciate all that they have done for me and for thousands of other boys and girls who have needed a home, love and care."

Applications for the admission of children to the Homes far exceed resources with which to care for them. Areas of unmet need in child care await our attention. Many couples who have a double measure of love to share with homeless and dependent children have a wonderful opportunity of service awaiting them through the foster home program.

Genuine appreciation is expressed by those who direct our child care program for all who have helped to make this ministry possible. Income through the Cooperative Program, through the Thanksgiving offering and through special gifts are vital to the services which are provided those who need our help. Financial support for the past year has come from the following sources:

Cooperative Program	- 36 per cent	Once-a-Month Offerings	- 15 per cent
Thanksgiving Offering	- 30 per cent	All Others	- 19 per cent

Most North Carolina Baptists are well acquainted with Charity and Children, official publication of the Baptist Children's Homes. This unique newspaper is published each week and goes to more than 55,000 subscribers. Well over half the Baptist churches in the state receive it in bundles for distribution to the members on Sunday. See that your church receives Charity and Children so that every family may be better informed about the work of North Carolina Baptists, and particularly the program of child care. The subscription price is sixty cents per year in bundle form.

CHRISTIAN LITERATURE REPORT

Many years ago some one wisely said, "The literature of an age is but the mirror of its prevalent tendencies." As we look at the literature of this age, we see tons and tons of the printed page on our news-stands, in our libraries, in our homes, and in our churches.

Some of this literature, perhaps much of it, is bad. It should not be purchased, much less read. Yet, we are told that more money is spent on the bad than on the good. Publishers who sell this bad literature have dressed it up in rainbow colors, and used

every trick, style, and art of printing to make it look tempting to the eyes of young and old alike. This bad literature pours like a stream of poison from the presses of profit-hungry writers and publishers on the news-stands, and into the mail-boxes of all who will buy and receive it. Sad to say, some of this literature gets into many Baptist Homes.

What can be done to stem this tide, and help our people have good reading matter? The answer is Christian Literature of all description. Tons and tons of this good reading matter come from many Christian presses. Much of it comes from our own Baptist presses in the form of books, magazines, periodicals, papers, pamphlets, tracts, and quarterlies for teaching classes, and training groups.

Every local church should have a good library, filled with this material, and make it available to young and old, and urge them to do what the Apostle Paul told young Timothy to do, "Give attention to reading." God's people must read to strengthen their faith, to increase their knowledge, to open their vision, and to inspire their minds. This will be done when Baptists make use of the Christian literature available. Radio, Television, and films are worthwhile, but must not take the place of reading.

Baptists have some fine periodicals that will keep us informed about our work around the world, and at home: The Commission will inform and inspire us about world missions and Foreign Missionaries; The Home Missions Magazine will keep us up to date on mission work on the home-front; Our study course books will inform us of the kind of work being done by our missionaries.

We have two publications in North Carolina that keep us abreast of the times in our State Work, and work around the world: Charity and Children, that helps us know about our Children's Homes, and the Biblical Recorder, our own State Baptist Paper. The Recorder was founded 131 years ago, for the purpose of Informing, Interpreting, and Influencing the Baptists of North Carolina as to the "Promotion of Missions, Christian Education, Social Service, and the distribution of sound Christian literature. These things the Recorder will do for our people only as they read it. They can read it only as they receive it. The Biblical Recorder should be on every Baptist family's reading table, put there, if possible, through the church budget, through the every-family plan at $2.00 per year, or, the price of a four cent stamp per week. There is no other means by which so many people can be reached so completely, so constantly, so cheaply, and so successfully as through our State Baptist Paper. However, if your church will not put it in the budget, let each Christian who desires to be well informed, subscribe for himself.

Union Baptist Association, composed of 56 churches, has 12 churches in the every-family plan, 19 churches in the club plan, with total subscriptions, including the pastors and superintendents list, of 1,288. That leaves 25 of our churches not receiving the Recorder at all in either of the two plans. Let us resolve now to make it 100% of our churches by the end of 1965.

GOOD GOVERNMENT REPORT

To thoughtful people it seems unneccessary to enlarge upon the fact of the moral and spiritual decline in the standards of Christian living today. The Bible, the Church, the Lord's Day, the Christian Home are apparently forgotten and forsaken by all toc many of our so-called best people.

According to a newspaper, "major crimes in Charlotte increased for the first six months of 1964." Murders, rape, robbery, assalt, burglary and larceny were up. The

F.B.I. said the southern states had the highest advance in crime during the above period, registering 18 per cent increase. Jesus said in Matthew 5:17 "Think not that I am come to destroy the law, or the prophets: I am not come to destroy, but to fulfill." This statement enforces the command of the sacred writer in Deuteronomy 6:5,6,7,&8. "And thou shalt love the Lord thy God with all thine heart, and with all thy soul, and with all thy might. And these words, which I command thee this day, shall be in thine heart: and thou shalt teach them diligently unto thy children, and shalt talk of them when thou sittest in thine house, and when thou walkest by the way, and when thou liest down, and when thou risest up. And thou shalt bind them for a sign upon thine hand, and they shall be as frontlets between thine eyes." If we love God with all of our heart and teach the Bible to our children in our homes every day, most of them will grow up to be God fearing citizens who will help make just laws and teach others to obey them.

Religious feelings and discipline distinguish humanity from the rest of creation. We are admonished in Hebrews 13:17a "Obey them that have rule over you." Therefore, as Christians, we should study and pray about the political issues; the Christian qualifications and character of each local, state and National Candidate before we vote in any election. It is impossible to separate religion and public action. Religion is an inherent condition of human life. We need to pray for and encourage people of experience, high Christian morals and firm convictions to become candidates for public office. If we expect to have better government we should be willing to participate and pray for God's help.

We as Christians have a vital place and an important responsibility to fill in the affairs of our Government:

1. Be brave enough to take our stand for the right and refuse to yield to the ways of sin and trust in God for the results.
   God delivered Shadrach, Meshack and Abed-nego from death in a fiery furnace when they refused to bow to an idol. - Daniel 3:1-30. The stand of these three Christian Hebrew Children changed the decree of the Babylonian Empire.
2. Pray that God will over rule the wrong in our Government and give us wisdom for these perilous times. When Daniel sincerely prayed with his companions, God revealed to Daniel the interpretation of the kings dream so the king was influenced to spare the lives of the wise-men in the kingdom of Babylon.
3. When Daniel was cast into the den of lions because he prayed, God closed the lion's mouths and Daniel was spared. This influenced the king to decree that God be recognized throughout the kingdom.
   Let us be faithful in prayer for all leaders in our Government.

C.W. Teague

TRAINING UNION REPORT

The need for a wide awake Training Ministry in our churches is a critical one. It is one that should challenge us to give our best that we might have the kind of church with which God would be pleased. This can only come through proper training.

We are commanded by our Lord and Saviour, Jesus Christ, to, "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and Lo, I am with you always even unto the end of the world."
Matthew 28:19-20.

I am sorry to say that many pastors and churches are not concerned with this type program and do not make any provision for it.

We, the Associational Training Union Department, have tried to make this available to our churches this year. We have held our meetings as scheduled in the Associational Calendar. We had participants in the Associational Regional, and State Tournaments with 10 Juniors as State Winners. We had the Pastor Led Enlargement Campaign with 13 churches participating; sent to our churches and pastors 1,402 pieces of first class mail, and the Training Union, staff has taught in various churches in Study Courses.

I want to say thanks for giving me the opportunity to serve you. I want to thank my staff of workers who were so faithful, and the many fine pastors and churches who did support us. You made our year successful instead of a failure. For this we shall be eternally grateful.

We want you to support our new Director and his staff in the coming year and help them to have a banner year for the Lord.

John V. Williams,
Associational T.U. Director

RADIO AND TELEVISION REPORT

"In the World Ye Shall Have Tribulation; but Be of Good Cheer; I Have Overcome the World" - John 16:33.

The Southern Baptist Radio and Television Commission works for the Glory of God. We sometimes forget to pray for others who are working for our Saviour. Much has been done for the Kingdom's Work through Radio and Television, such as, preaching the gospel, filmstrips, and Easter Programs.

As Radio and Television Program's increase, so does activity in the area of audience building.

Radio and Television broadcasts produced by the Radio and Television Commission of the Southern Baptist Convention, are over 1300 programs per week in the United States and twenty-five Foreign Countries. The value of free time received from Radio and Television Stations would approximate $2,500,000 annually for a total of 34,385 hours per year. This does not include free time for other denominations or State and Local Programs.

The Radio and Television Commission of the Southern Baptist Convention represents 34,000 churches and ten million members.

Let us as Christians of the Union Baptist Association pray and give more to all our work, and especially to the Radio and Television Commission.

REPORT OF COMMITTEE ON ORDINATIONS

The Ordinations Committee of the Union Baptist Association examined three men for the ministry this year.

These men were questioned about their conversion, call to the ministry, their belief in God, in the Bible, and the Church. We also questioned them concerning their stand on the Cooperative Program and Missions in general. They were asked about their qualifications and preparation for the ministry. They all answered these

questions very satisfactorily and the committee recommended them for ordination.

The three men were Howard Simpson, Roy Yow, and Marvin Mills. It is the prayer of the Committee that all of these men will remember the qualifications of a servant of God and will be a great worker for Him.

BAPTIST HOMES REPORT

Our Baptist Homes have just completed their 13th year of operation and are entering into the 14th year with eager anticipation and with much enthusiasm. God has blessed these brief years with an abundance of his love and with the good things of life. We have come from one resident and one building since March of 1951, to 160

residents and four buildings in 1964. Today there are 170 people waiting for admission. There are hundreds of inquiries during any given year from aging persons who are sick, for whom we can not care because of lack of bed patient space. May the Lord help us to begin now making plans for a nursing facility that will be large enough to receive some of these who are sick, or invalids at admission.

The choicest bit of news for 1964 is the development of a 5th Baptist Home, to be located at Yanceyville, North Carolina. We are hoping to begin construction on this new project during this year. We will then be able to care for 30 additional residents. The home at Yanceyville and money were given to the Baptist Foundation of North Carolina for us by the late R. Sterling Graves and his sister Mrs. Sallie Willie Graves Bradsher, to build and equip the home there. We will still need to look to our Baptist people for the maintenance of this home and for assistance in supplementing needy residents who will live there through the years.

Today North Carolina Baptists are contributing an average of $90.00 a month on the cost of care for 90% of the residents who live in our four Baptist Homes in Winston-Salem, at the Albemarle Home and Hamilton Home. These needy residents could not possibly be with us, nor, could they receive the loving care that they do, if it were not for the gifts from our 3400 Baptist Churches. Earnest heed should be given by each church, therefore, towards increasing the amount of Special Day Offering, and designated gifts to the Homes. There was a 5% decline in gifts to the Homes in 1963. We trust that all of our Baptist Churches will make their special offering this year the greatest ever.

There is nothing to prevent our receiving any aging person 65 years old and above who is reasonably well, mentally and physically, except lack of space. Let us join our hearts in prayer and our lives in dedication that we may give a good account of our stewardship in this great area of human concern and give an answer to as many of these dear people as possible.

Respectfully submitted,
Paul S. Simpson

ANNUITY BOARD REPORT

NEW "LIFE BENEFIT PLAN" IS OFFERED TO CHURCH AND DENOMINATIONAL EMPLOYEES

Every pastor, church and denominational employee is eligible for the new group term Life Benefit Plan being offered by the Annuity Board, regardless of whether they are a member of one of the Board's retirement plans. The Board is currently in a campaign to enlist the 3,000 members needed to put the Life Benefit Plan into effect, and hopes to have it in operation by October 1 of this year.

Cost is Low - The new Plan provides low cost life protection to members while in active service, during disability or in actual age retirement. Cost is only 1% of the annual salary basis, with minimum basis of participation set at $4,000 and maximum at $12,000. Minimum payments will be $3.34 a month and maximum payments, $10.00. Car expense, housing and utility allowance, etc. may be added to the cash salary to allow the member to pay on a larger amount. All participation is on even thousands, and the cost remains the same every year unless the member's salary increases and he wants to increase payments accordingly.

Benefits Are Large - The widow or beneficiary of a member 45 or under will receive 2 1/2 times his salary basis of participation in the event of his death. Thus the widow of a man 44 years of age who was paying on a $12,000 salary basis would receive

$30,000. If death was accidental her benefit would be twice this, or $60,000. After the member passes 45, benefits are scaled downward by 1/10th of a percent each year as he gets older. At age 65, the member who joined during the first year of eligibility and paid at least 10 years continuously prior to retirement will have a paid up benefit of $1,000 or an amount equal to total contributions, if less than $1,000. In case of total and presumably permanent disability, the members payments are waived, but his coverage continues.

Applications and information about the Life Benefit Plan may be obtained from the Annuity Board, 511 North Akard; Dallas, Texas, 75201, or from your state annuity secrdtary, whose address is given below.

MEMBERSHIP IN RETIREMENT PLANS

As of May 1, 1964, there were 16,251 or 50% of the total churches in the Southern Baptist Convention participating in the Annuity Board's retirement program with their pastors. Out of 174 educational institutions, hospitals, children's homes, homes for the aged and other southwide agencies, 118 are enrolled in an Annuity Board Plan with their employees. Total membership in the Board's retirement plans is approximately 25,000.

BENEFITS PAID

More than $43 1/2 million have been paid in relief and annuity benefits by the Annuity Board since its beginning in 1918. Last year these benefits were more than $3 1/4 million, and were paid to ministers and denominational workers or their families who were members of a retirement plan, and to those on the relief rolls.

ANNUITY SECRETARY

The Annuity Secretary for North Carolina is Guy Cain. He conducts a program of promotion and education regarding all phases of the Annuity Board's protection ministry. He seeks first to enlist those pastors and church and denominational employees who are not enrolled in a retirement plan with the Board. Secondly, he helps those who are in the plans to know more about the financial provisions they are entitled to, and advises them in seeking additional protection through the Board's supplemental plans.

Rev. Cain's address is: 301 Hillsboro Street, Raleigh, North Carolina.

WOMAN'S MISSIONARY UNION REPORT

In order to conserve the gains of the 75th Anniversary Year, Woman's Missionary Union adopted a Threee Point Program for Progress for the 1963-64 year. Emphasis was given to Point 1 - Aim to Advance; Point 11 - Celebrate the Jubilee; and Point 111 - Present a Post Jubilee Program.

Leadership Training received special emphasis as a large number of our Leaders and Members completed the Leadership courses offered for Adults and Youth Leaders.

Prayer retreats have proved most inspirational as they have been held in many churches during the year. Reports show a definite increase in Missionary Reading, Mission Study Classes and gifts for Mission causes.

We look forward in 1964-65 to a study of the New Testament church as we base our programs on the theme: "A church fulfilling Its' Mission Through Worship." We are aware that the out-reach of the church through it's mission program will be effective in proportion to the depth and sincerity of the worship experiences in our churches. Our plans and programs will be related to our watchword for the year: "I will praise thee O Lord, among the people: I will sing unto thee among the nations." (Psalm 57:9)

BROTHERHOOD REPORT

The Associational Brotherhood work has made some progress during the year. The Officers had regular quarterly planning meetings. Most officers visited several churches of the Association and participated in their meetings. We had four Associational meetings during the year, one each quarter. Perhaps the year's highlight was the Brotherhood - Royal Ambassador supper meeting, held at Shiloh Club House, and enjoyed by everyone who attended. Our Associational Royal Ambassador boys enjoyed a wonderful week at Camp CaRAway, during the week of June 22-27. A few of the counselors were from Union Association. The work of the Associational Brotherhood continues to be a great challenge to the laymen and ministers of Union Association. May we ask and receive your continued efforts and support for this work. We must have the prayers and support of all in order to fulfill this challenge.

Respectfully submitted,
C.E. Perry
Brotherhood President

BAPTIST HOSPITAL REPORT

The trustees and administration of our Baptist Hospital have expressed their appreciation for the interest and concern our churches have shown in the ministry of the hospital. In behalf of thousands of our people who cannot pay for the skilled care received at our Medical Center, they express their thanks for our Mother's Day gifts which make this service possible.

This is a crucial year in the life of our hospital. It is serving more sick people than ever before in its history. At the same time, the needs continue to grow faster than its capacity to serve. For more than a year there has been an average of above 700 sick people on the waiting list for beds. A number of seriously ill or injured persons have had to be sent from the emergency rooms to other hospitals because no beds were available.

Another difficult problem is that of meeting the cost of caring for those who cannot pay for the service they need. Within our state there are many older people who live on a meager Social Security or Old Age Assistance income, families whose savings and sometimes their ability to earn have been wiped out by long and serious illness, and great numbers who cannot rise above the poverty line. All who come must pay for their medical care insofar as they can, but there are great numbers who simply cannot pay the full cost. Our hospital tries to get all the help it can for these persons from welfare and health agencies, but these agencies do not pay the total cost and many persons are not eligible for such assistance.

The hospital receives a share of our Cooperative Program money, which helps to support the Department of Pastoral Care and provide equipment and facilities required in the work of the hospital; but the Mother's Day Fund provided by our churches is the only means the hospital has of bridging a wide gap between the funds available and the cost of caring for those who cannot pay for their medical service.

Our hospital and medical school are beginning a large development program greatly to increase the capacity of our Medical Center to care for our sick people and to train additional doctors, nurses, and other personnel to serve in our communities, on our mission fields, and wherever these trained persons are so badly needed. The poeple of the Winston-Salem area have expressed their confidence in our Medical Center by pledging more than seven million dollars to this enlargement program. Our great concern is that, when our hospital has increased its capacity to meet our specialized medical needs, will our churches provide the money to take care of those who need these services but cannot pay for them.

This is a heavy burden on those who are responsible for the operation of our hospital. We are confident that if our people are informed of the work and the great need, they will provide the necessary means. We call upon our pastors and other church leaders to lay this upon the hearts of their members. It is a greatly needed and wonderful ministry to which Jesus gave himself without reserve. We who are His followers must not fail those to whom he would minister through us.

Respectfully submitted,
George L. Broome, Chairman

BAPTIST FOUNDATION REPORT

In the widest sense Stewardship "is the maximum use of one's life for the glory of God and the good of mankind." The North Carolina Baptist Foundation, Inc., encourages the Stewardship of Current Income in systematic and proportionate giving from current income. The Foundation also encourages the Stewardship of Accumulated Possessions by single block giving at infrequent intervals from accumulated income during one's lifetime and/or at one's death. You will note that the Baptists have put the major emphasis on the Stewardship of Current Income. The Baptist Foundation seeks to put a stronger emphasis on the Stewardship of Accumulated Income. There are many ways that the Foundation assists a person in making his gifts through accumulated income such as: (1) By living trust, (2) by gift annuity, and (3) by bequests in wills.

The Foundation also serves by meeting with you and your attorney upon your request in connection with preparation of legal documents where the Baptist Foundation is to be involved. The Foundation offers services to individual churches, associations, and to all of our Baptist agencies and institutions.

We have been emphasising the making of Christian wills. We have two films, "God's Will Through Yours" and "Treasures in Heaven," on Christian will making, which are available to any organization upon request.

SUNDAY SCHOOL REPORT

The Sunday School has had four Associational Meetings during the year which were well attended. We have received many Vacation Bible School Reports, some from churches that had Vacation Bible School for the first time. Some of our workers

attended the Sunday School Conferences at Fruitland, Caswell, and Ridgecrest this summer.

We thank each worker for their help and what they have done, and we pray that the Heavenly Father will lead and guide us in the coming year.

There is still a great work to be done in the area of Sunday School work. The ADULT THRUST, with the help of our leaders, pastors, and every Christian in the Association will lead us to be a better witnessing body. The Sunday School will be placing emphasis on the Biblical Revelation and to reaching all the unreached and unsaved people in our Association.

The workers alone cannot achieve this great task. The people must pray, and be dedicated to God that He may work through us to give a Spiritual Regeneration in our Sunday Schools.

Respectfully submitted,
Charles F. Broome
Associational S.S. Supt.

COOPERATIVE PROGRAM REPORT

The Cooperative Program is not an institution, but a "Baptist togetherness" through which we support all our agencies and institutions. Thanks to the Cooperative Program each person in each church can play a vital role in this world-wide program.

The Cooperative Program helps us to meet a total world missions task. Through this means our churches are able to present a united front and to develop a unified approach.

Since 1925 the Cooperative Program has been the channel enabling North Carolina Baptists to support the world ministry committed to them by Christ in the Great Commission.

Your church has a part in the support of over 5,000 missionaries who baptized over 58,000 people last year if you give through the Cooperative Program.

In addition to these missionaries we help 63 Baptist hospitals, 45 orphanages, 14 Homes for Aging and 1,132 schools around the world as we give through the Cooperative Program.

The Cooperative Program is the love of God in action, the hands of Christ at work.

The individual Christian worships with tithes and offerings in his local church. The church plans a budget and decides what portion shall be given to all denominational causes through the Cooperative Program.

Contributions from the churches through the Cooperative Program for all causes are sent to the Convention Office in Raleigh. Cooperative Program gifts are then allocated to all Missions, Christian Education, and Social Service Work of Southern Baptists. Each Baptist Hospital, Childrens' Home, School, Home for Aging, and each area of general Mission work receives a part of the Cooperative Program dollar.

The sun never sets on the work of our Cooperative Program.

By decision of the Special Convention in Greensboro our churches are urged to increase their giving through the Cooperative Program by at least 35% Receipts beyond the basic budget for this year make up an advanced section of the Cooperative Program and is allocated for expansion and capital improvement in the program of Higher Christian Education through our seven Baptist Colleges (85% for Colleges, 15% for Student Centers).

Our people are giving approximately one third of the tithe into their churches. The churches give an average of a little more than eight cents of each dollar of church in-

come through the Cooperative Program to witness to two billion lost people in the world.

Now available to our people in North Carolina, and the Southern Baptist Convention, are four programs specifically designed to give Missionary Baptist Churches "know how" in reaching their tithe potential, thus making possible greater participation in the World Mission Program of Southern Baptists.

The Programs are The Forward Program of Church Finance, Growth in Christian Stewardship (for churches with up to 300 members), Stewardship Development for Baptist Associations, and Year-Round Stewardship Development.

During the past Associational Year 56 churches in Union Association gave a total of $37,784 through the Cooperative Program. 9 churches, according to available records, did not contribute to the World Program of Jesus through the Cooperative Program.

In the year ahead, above all things, let us determine to be faithful to the guidance of God's Spirit and share with a lost world to the limit of our ability. May we of the Union Baptist Association do our part in this great work.

Respectfully submitted,
Thomas J. Lomax

FIELD WORKER'S REPORT

These months (10-1/2) have been delightful, exceedingly busy and, we trust, profitable as we have sought to serve in your midst. Opportunities for service have been numerous and varied. Many invitations have come which we have been unable to accept because of the constant demands upon our time. Our schedule has been filled with engagements of preaching, teaching, meeting with various committees and groups, and advising with numerous individuals in conference periods.

Mrs. Hamby and I have spent many hours in the office doing the necessary correspondence, mimeographing various materials, preparing and publishing the monthly Bulletins, and helping in various ways to promote the total Associational Program of Activities. This has been a very gratifying experience for us in every respect.

We want to thank each of you for any part which you have had in helping to promote the work of Christ through the Associational Program. All of us realize, I think, that the purpose of the Associational effort is to strengthen and undergird the work of each local church, and to try to develop the lives of individual Christians in the service of our Master.

As we come to the close of this Associational year and begin to take stock of our accomplishments, all of us should be truly grateful for God's blessing on our work.

On the other hand, as we measure our accomplishments over against what might have been done, we begin to realize we have a long way to go.

As we turn our minds and hearts to a New Year, let us do so with a spirit of dedication and resolve that under the impact of God's Holy Spirit we shall give ourselves with complete abandon to the tremendous task before us in this Association, our State, and to the uttermost part of the earth.

Let's pray and work that all our people may grow and develop and that each one of us may do what we can to help people to find Jesus Christ as Saviour, and then help them to grow into maximum living in His Kingdom.

Respectfully submitted,
Claude H. Hamby

CHRISTIAN EDUCATION REPORT

Southern Baptists have made great strides in their efforts to keep pace with demands for better Christian Education. However, "the fields are white unto harvest," and much is yet to be done.

Our Colleges and Seminaries are faced with a greater responsibility of preparing our youth to face a rapidly changing world and complex society than ever before. This cannot be done by these alone. Every member of a Southern Baptist Church must share that responsibility. It is not an impossible task, and with God's help, dedicated witnessing, and faithful support for His work it can be done.

Within the framework of the Southern Baptist Convention 37 Senior Colleges, 17 Junior Colleges, 6 Seminaries, 5 Bible Schools, and 7 Academies are involved in the effort to provide Christian Higher Education.

Our own state of North Carolina has been blessed with a goodly number of these fine institutions. The high academic standards have been achieved because of the foresight, hard work, and faithfulness to the Lord's command "go ye therefore and teach" on the part of our present and former Baptist leaders.

We Baptists in Union County are blessed by having in our midst one of the finest two year educational institutions in the nation today. People of Union County should take an opportunity to visit Wingate and see for themselves an outstanding Baptist College in North Carolina.

We trust that the churches of the Union Association will recognize this great asset to our community, by giving to its needed support, and encourage the youth of our churches to take advantage of the opportunity to begin their higher education at Wingate College.

*The Baptists of this Association came directly from the efforts of the early Christian workers of Wales and England. Their first settlements were in Old Welsh Neck section in South Carolina and Old Sandy Creek section in Chatham County. Union County Baptists came from the Old Welsh Neck Section. The Welsh Neck Baptist Church was organized in 1738. In 1793 Lanes Creek Church was organized about two miles West of Philadelphia Church. This Church was the stock of the Welsh Neck Church. The churches that came out of the Welsh Neck Church organized into the Moriah Association in 1815. For convenience of the North Carolina side of the Moriah Association, the Brown Creek Association was formed in 1854. In 1885 the name of Union Association occurred.

CONSTITUTION

OF THE

UNION BAPTIST ASSOCIATION

ARTICLE I - Name

This body shall be known as the Union Baptist Association of North Carolina.

ARTICLE II - Purpose

It shall be the object of this Association to promote the Kingdom of God on earth in compliance with New Testament principles, and in co-operation with the Baptist State Convention and the Southern Baptist Convention. It shall also devise and promote measures for increasing the harmony, intelligence and spiritual power of the churches.

ARTICLE III - Membership

The Association in the transaction of business, shall be composed of the pastors of the churches constituting it and the duly elected messengers of the churches. Each church shall be entitled to three messengers for the first hundred members or fraction thereof and one for each additional hundred. No church shall be entitled to more than ten messengers.

ARTICLE IV - Powers and Prerogatives

1. The Association shall have no right to infringe upon the sovereignty of the churches. All the churches constituting the Association remain soverign and independent bodies. It may advise the churches, and recommend measures for their adoption, but cannot bind them in any way. However, it may justly claim for itself, for its objects, and for its recommendations the very highest consideration and regard.

2. The Association may at any time dissolve connection with any church that becomes heterodox in doctrine or disorderly in practice or that fails to represent itself either by messengers or letter for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. This cause fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body. The Co-operative Program shall be the recommended means for the support of Convention objects.

ARTICLE V - Duties of the Church

It shall be the duty of each church to appoint as far as practicable capable and efficient members as messngers--to insist upon their attendance and to send with them a contribution toward the expenses of the Association, the printing of the Minutes and such other items deemed necessary by the Association.

The churches shall send annually a letter to the Association giving full statistical information and facts concerning their general welfare. These letters shall be sent to the clerk as soon as possible after the end of the Associational year.

ARTICLE VI - Reception and Continuation of Churches Within Fellowship

The Association shall be sole judge of its membership and may receive or reject churches applying for membership therein at its pleasure. Orthodox and orderly churches petitioning by letters from another Association of Missionary Baptist Churches, or newly organized Missionary Baptist Church desiring membership and presenting their articles of faith, shall be welcomed, provided the churches making request for admission shall agree to come under the watch-care of the Association for a period of at least two years. The letters of petition shall be submitted to the Associational Missions Planning Committee. This committee shall ascertain the facts regarding scriptural organization and orderly practice of the church, and evidence of missionary and beneficient fervor in its work.

The Mission Planning Committee will receive written quarterly reports from the church. If found satisfactory, the committee shall at the next annual meeting of the Association recommend its reception. If not found satisfactory at the end of the two-years of watch-care, the committee shall continue to work with the church towards its admission into the fellowship. Upon the recommendation of the committee the Church shall be admitted to membership upon a three-fourth vote of the members present. It is understood that during the period of probation such church or churches shall be entitled to all rights and privileges of the Association except that of voting.

In like manner churches of the Association shall be expected to continue in the spirit and practice expected of new-member churches. Those churches admitted into fellowship in the Association, and all churches composing the membership of our Association, shall be expected to practice the requirements made upon churches applying for membership, with the exception that only watch-care churches be required to submit quarterly written reports to the Missions Planning Committee. At any time a church is found by the Associational Planning Committee to be delinquent or negligent in complying with the letter and spirit of this Constitution such a church shall be placed on probation for a period of twelve months. If at the end of this period the church fails to comply with the letter and spirit of the Association's Constitution, it shall cease to be listed as a member of the Union Baptist Association.

The Associational Missions Planning Committee shall be the responsible committee for the study of a church's life for membership and application shall follow the above specified procedure for admission.

The Association continues in this regard to be the final authority in the action relative to this article.

A period of worship was begun with the singing of the hymn, "Come, Thou, Almighty King" and "All Hail the Power of Jesus Name" with John Vann Chaney of Shiloh leading and Mrs. John Dennis Rollins of Marshville at the organ. Ellis Marks, pastor of Benton's Cross Roads church, led in the devotional period, reading from Matthew 5, and challenging the thinking of the messengers with Jesus' command to be "lights" today as He was in His day, closing with prayer.

3. Roll call was dispensed with by motion from the flooor, which was seconded and so voted. (Registration slips revealed 55 churches represented with over 400 present)

4. The Moderator then recognized all visitors present and the pastors who had come into the association since last annual meeting (7 present at that time.)

5. Dr. Budd E. Smith, president of Wingate College, rose to request that a resolution be prepared in gratitude to the men who in 1895 established Wingate College--this being Wingate College Appreciation Week in Union County. The chair acknowledged this request and promised to turn it over to the Resolution Committee when appointed.

6. The chair was then taken over by L.E. Bookout, vice-moderator, who recognized the moderator for his annual address. Mr. Rushing, using Psalm 107:2 as his text - "Let the Redeemed of the Lord say so," asked three questions. "Who are the Redeemed? What have they got to say? and Why don't we say it?"

7. The Nominating Committee report was then given by Claude Hamby in the absence of Oscar Faulk, Chairman of this committee. The clerk was then elected to serve for this session - the name of Mrs. R.V. Greer was presented by the committee, and she was elected. (Motion was made by C.H. Arrowood that the report be accepted-election of clerk at this time; others to be elected at tomorrow's business session.)

8. The Reports being called for, the moderator noted that the General Board member elected last year is no longer in this association and so no report from General Board (nomination for this before state nominating committee for this coming year.)

9. The moderator then recognized J. Howard Williams, the treasurer, who presented the report of the year's finances; he moved the adoption of the report as presented, seconded, carried.

10. Mr. John A. Bivens, chairman of Finance Committee, was then recognized to present the report of his committee ... The new budget for the coming year. A few additional items of change noted: increase of $350 over last year's budget; the report was moved for adoption; seconded; with a few remarks relative to the change of finance matters in our association (all but two churches supported this past year's work) and a plea to become self-supporting (still receiving help from state convention), the vote carried.

11. Missions Planning Committee: Glenn Rushing presented this report stating that the committee had met with Mr. Ernest Upchurch of the State Convention. Stewart Park section and also an area on Highway 74 toward Charlotte discussed as possible sites for new churches. The gift of land in Helms Park section from R.O. Helms is still pending but there has been no demand for such--the potential

for a strong, self-supporting church in either of these areas with a church to sponsor is not good for now.

11a. Executive Committee Report: Also, presented by the moderator, who stated that each quarterly meeting had been held and all business transacted was routine with the exception of voting to request only $1,100 from the State Convention, instead of $1,200--an initial step toward Union Association becoming self-supporting. Motion made and seconded to adopt this report and also Missions-planning committee report, so ordered.

12. Congregational Hymn - "Praise Him, Praise Him."

13. Announcement - Tea at Northwood, Wingate College President's Home, sponsored by A.A.U.W., all ladies of Union Assn. cordially invited to attend after close of afternoon session.

14. Field Workers' report called for; paid tribute to Mrs. Hamby's faithful help; brought attention to P.E. Jones and N.S. Joyner - suggested messages to each. Motion made that by common consent messages be sent to Mr. & Mrs. P.E. Jones, Bunnlevel, N.C., and to The Rev. N.S. Joyner. C.E. Sigmon made a motion that P.E. Jones be sent a love offering about Christmastime, seconded, and carried. (Telegram sent to the Rev. & Mrs. P.E. Jones - 10/27/65 - and letter written to Mr. Joyner, who had not missed associational meeting in many years but due to illness this year unable to attend.)

15. Field Workers' report: Books of Reports materials and labor given by same people as those of last year, plus Mr. Phillip Lowman gave paper. J.T. Baker made a motion that $125.00 be given to Mr. & Mrs. Jerry Black and Mr. & Mrs. Thomas Joyner - this motion was seconded and carried.

16. Our field worker challenged the messengers and visitors to evangelize in every area - this is the purpose of all the organizations. Noted an encouraging sign in that every church in the association had a V.B.S. As to what we need to do in the future - is to look for future sites in Union Association for potential churches.

17. The Moderator then used extra time to appoint the two committees:

Place and Preacher:
- L.P. Horne
- F.E. Baucom
- H.T. Cook

Resolutions Committee:

23. The worship period was begun with the singing of the hymn, "Blessed Assurance" and the devotional led by Howard Cook, pastor of Mountain Springs church, who used Matthew 9:35, ff, urging a need for more "full-time" Christians, and closing with prayer.

24. ORGANIZATIONAL REPORTS: The Sunday School report was called to the attention of the assembled messengers in the Book of Reports, by Roy P. Yow, Associational Superintendent, who moved the adoption of the report as printed, and after being seconded, called for increase of 3% in our Sunday Schools for 1966. The vote then carried.

25. Training Union: Director John G. Hargett, Jr. stated that four new unions had been organized during the past year and brought out the alternate plan proposed by the Training Union Dept. He then moved the adoption of the report as presented in the Book of Reports, seconded and so voted.

31. Good Government report: Moved adoption of report as printed by C.W. Teague, chairman, seconded; after presenting a few challenging remarks, the motion carried.

32. The Moderator then called for the report of the Radio and Television Commission, which was given by J.T. Baker, who moved the adoption of report as printed, seconded and so ordered.

33. There being no one present to give the report for Christian Education (both committee members having moved from the association) this report was adopted as printed in the Book of Reports. Dr. Budd E. Smith, president of Wingate College was present at the morning session, as was a representative from Mars Hill College. And the Wingate College Choir is scheduled to present music on the second day.

34. The chairman of the Constitution and By-Laws Committee, Wayne R. Davis, was recognized, who read the report of his committee - to make one change in Constitution making "Roberts Rules" binding on the Association instead of Kerfoot and making one recommendation. The change was read, to be re-read on tomorrow and the recommendation voted for acceptance by the body present.

35. There being no miscellaneous business for the afternoon session, we gave a rising vote of thanks to Marshville as host, and to the other three churches, Lanes Creek, Bethel and Austin's Grove, as co-host for the dinner, for the gracious hospitality of the day.

---Resolution concerning Host Churches for

1965 Associational Meetings ---

"Whereas we, the messengers to the 111th annual session of the Union Baptist Association, have enjoyed the blessings of God and the mutual warmth of fellowship and the inspiration which has been derived from our common purpose to magnify the Grace of God in the corporate work of our association:

BE IT RESOLVED: that the Union Baptist Association express its deep gratitude and appreciation to the following:

To Austin's Grove, Bethel, Lane's Creek, and Marshville, who served as host churches for the sessions on October 26, and especially to the people of the Marshville Baptist Church and the host pastor, Wayne R. Davis, in whose church the Association met for the Tuesday sessions. Also, to the Fairfield, Hamilton's Cross Roads, Olive Branch, and Union Grove Churches who served as host churches for the Wednesday sessions, October 27. Especially to the people of the Union Grove Baptist Church and the host pastor, Glenn Rushing, at whose church the Association met for the Wednesday session. We are also grateful to the members of these host churches who assisted with the tasks of preparing and serving the meals and ushering.

FIELD WORKER'S REPORT

Very soon we will be approaching the end of our second year as your co-laborers in the work of Union County Baptists, Our labors among you have been blessed of God. The schedule has been full, and on some occasions we have been unable to render the service which you have requested. We have tried to serve in various phases of your church life, and assist in the Associational activities as time would permit. You have been most gracious in receiving us into the churches. We would register our grateful appreciation to each pastor and each church for your wonderful and gracious reception.

These days of meeting in Annual Session are days of weighing, sharing, and of projection for the future. Some progress has been made in the months since our last meeting, and for this we are truly grateful to our Lord. Any measure of work and progress could never have been accomplished aside from the leadership of God's Spirit. We must depend upon Him for wisdom, guidance, courage, and understanding as we look to the days ahead.

One thought should be paramount in all our thinking and planning. This world needs the message of Christ and we are responsible for presenting His claims to our fellow human beings. This world is confused, bewildered, sin-sick, fearful, and groping in darkness. We have the one, and only, message that will meet the needs that confront us. The challenge is greater than ever before. Will we accept the challenge and go forward in Christ, or shall it be said of Union County Baptists that we are unwilling to match our lives with the task facing us in this crucial hour?

Our task as Christians, and Baptists, is to confront men with the gospel message seeking to win them to a committal of self and substance to Christ. After they have been introduced to Jesus, we have the marvelous privilege of teaching and training them in the ways of Christian conduct and behavior. This tremendous opportunity should challenge each of us to a life of service to God and to others about us. One of our chief concerns is in the area of work among our young people. If we fail them, there can be little hope for the future welfare of our churches.

Our prayer is that all of us will join hands, and hearts, and efforts in an all out effort to save our young people for the cause of Christ and our churches. May God's Spirit move among us and give us courage and insight to rise to the occasion for the sake of the future welfare of our homes, churches, communities, County, State, and our World.

Respectfully submitted,
The Hambys

BAPTIST FOUNDATION REPORT

During the past four years the Foundation has been actively presented to the Baptists of North Carolina through the Associations, Churches, group meetings and through other media of communication. Our reception has been a most cordial and pleasant one. When the Baptists are properly and fully informed on any program, they can be depended upon to act wisely. Our main concern during these past four years has been to let our people know exactly what the Foundation is; how it functions; the various classes of people, churches, associations, conventions and agencies it represents as well as putting particular emphasis on Christian will making.

Memorial investments in the Foundation have gone from $60.11 to approximately $450,000. No sum is too small to merit our attention nor too large to be adequately handled. One of the strong characteristics of the Foundation lies in its fifteen member Board of Directors. These men are businessmen who give their business genius and ability to the work of the Foundation without any remuneration whatsoever. They want to invest a part of their time and talent in this phase of Kingdom work.

It is my great pleasure to assure you that The North Carolina Baptist Foundation, Inc. is a going concern. Our people throughout the State are responding in a very fine manner to the services offered through the Foundation. This report would not be complete if I did not pay particular tribute to the excellent cooperation I have received from the pastors of the Convention. This program cannot succeed without their active participation and they have not hesitated to graciously give aid and comfort to the program. The years ahead look bright. Call on us if we can help you.

C. Gordon Maddrey,
Executive Secretary

SUNDAY SCHOOL REPORT

The Great Commission of our Lord continues to be the marching orders of Christians in this twentieth century. We are to "Go and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost; teaching them to observe all things ..."

The Sunday Schools of our churches have been assigned the task of teaching the Bible, reaching the unreached, leading all church members to worship, witness, learn, and minister daily, furnishing workers for various projects, and interpreting the work of the church and denomination - thus helping the church in its basic functions of worship, proclamation, education and ministry.

Southern Baptist Sunday Schools are seeking to enroll ten million by 1970. In order to achieve this goal, we must have an enrolment gain of approximately 30% in the next five years. We are challenged to have an enrolment of one million in North Carolina by 1970. Outreach must have priority.

We are asking each Sunday School in our Association to accept a net enrolment increase of 3% for 1966; 4% for 1967; 5% for 1968; 6% for 1969, and 7% for 1970. We will grow great Sunday Schools as we show compassionate concern for the unreached. Evangelism stewardship, missions, discipleship - all wait upon outreach.

These enrolment gains can be realized by organizing new Sunday Schools (a new Sunday School will gain 30); the organizing of Extension Bible Classes (each will gain 10); the starting of new adult classes (each will gain 6); the activating of Extension, Cradle Roll, and Young People Away departments (each will gain 6); and enrolling Vacation Bible School pupils not in Sunday School.

If we will follow the simple growth formula advocated many years ago by Dr. Arthur Flake - locate the prospects, enlarge the organization, provide needed space, enlist and train workers, and visit the people - we will reach more people for Bible Study; our baptisms will increase; Christian stewardship will become a reality; and our churches will be strengthened.

Along with an increased emphasis upon outreach, each Sunday School is urged to observe January Bible Study Week, to plan a church and mission Vacation Bible School, to promote Operation Home Study and other opportunities for training; to cooperate in the Adult Thrust movement, to participate in the Associational Sunday School projects - clinics, conferences, enlargement campaigns; and to attend the Sunday School weeks at Caswell and Ridgecrest. When our Sunday Schools begin moving forward, our churches will move forward.

The Sunday Schools in the Association reported a total enrolment of 11,240 as compared with 11,237 in 1964.

TRAINING UNION REPORT

Worship has been the theme for Training Union this year. Certainly one of our greatest needs is for a vital fellowship with our Lord through Worship. However, Worship in itself, is not sufficient. Our Lord urges us to share the Good News with others. This has been our utmost desire as we have tried to serve.

Our efforts with Training Union have been most rewarding. The blessings of God have been abundant. The churches have been very gracious and considerate as we have visited and sought to assist in the work.

The Training Union Department has assisted in the organization of new work in four of the churches this year. Those churches which have inaugurated new work are Mountain Springs, Price's Chapel, Pleasant Hill and Lee Park. Our hearts rejoice in this accomplishment. Our prayer is that others will respond to the challenge

and share in this vital Training Program in the near future.

The Annual "M" Night was held at Wingate College in December. Executive Committee meetings, Officers and Leaders Conferences, and Mass Meetings have been held on schedule.

Youth Week was observed by several of our churches, and Annual Youth Night was held on March 20th. Also, Associational tournaments were held in April. Our Association was well represented in the Regional tournaments held in Charlotte. Study Course Work was promoted in a number of the churches.

We deeply appreciate the efforts of all who have given support to the work and for all who have assisted in any way in the various churches. Our grateful appreciation to the churches who have allowed us to use their buildings and facilities for the various meetings.

We solicit your prayers and support in Training Union Work in the New Year.

Respectfully submitted,
John G. Hargett, Jr.
Training Union Director

BROTHERHOOD REPORT

Brotherhood is a unique organization of the church in that its membership is composed only of Baptist Men of the church. It exists for the purpose of helping the church achieve its missions tasks.

Brotherhood is an educational organization with distinctive objectives and ministries. It fulfills a role assigned only to this group in the educational program and in the work of the church as it majors upon missionary education and missions promotion.

Brotherhood is a fellowship of Baptist men, members of the church, organized to advance the cause of Christ through a program of missionary education and missions promotion designed to inform, motivate, and involve men in the mission tasks of the church.

Brotherhood is responsible for missionary education for men, young men, and boys in Southern Baptist churches, which is one of the greatest needs of this day. Its study program is designed to interest and challenge the men and boys of the church in becoming mission-minded Baptists. It permeates such major areas as Christian witnessing and personal stewardship as they vitally relate to missions in the community, state, nation and world.

BROTHERHOOD OBJECTIVE IS TO LEAD MEN TO

1. A deeper commitment to missions.
2. A more meaningful prayer life for missions.
3. A larger stewardship on behalf of missions.
4. A personal involvement in missions.

The Associational Brotherhood work has made some progress during the year. The Officers had regular meetings, visited several churches of the Association and participated in their meetings. We had four Associational meetings during the year, one each quarter. Perhaps the Year's highlight was the Brotherhood-Royal Ambassador Wiener roast held at Plyler's Lake on September 9th, and enjoyed by everyone who attended.

Our Associational Royal Ambassador boys enjoyed a wonderful week at Camp Caraway during a week in June. We again had counselors from Union Association. The work of the Associational Brotherhood continues to be a great challenge to the

laymen and ministers of Union Association. May we expect and receive your continued efforts and support for this work, and above all, will you give your new President, Mr. J.B. Helms, your sincere support and help him to help us.

Respectfully submitted,
C.E. Perry, Brotherhood President

WOMAN'S MISSIONARY UNION REPORT

Since the nature and functions of the church are being emphasized during a five year period, we in W.M.U. focused attention last year on WORSHIP. We attempted to stress the fact that To Worship is to experience an awareness of God, to recognize His holiness and majesty and to respond in loving obedience to His leadership.

On November 15-16-17 our seven and one-half Leadership Courses were taught at First Baptist Church for W.M.S., Y.W.A., G.A., and Sunbeam Band Leaders. Mrs. Carl Lewis of Rockingham taught the W.M.S. Course, and Youth Classes were taught by The Associational Youth Directors. All of these classes were well attended. Eighty-three ladies qualified for credit on the course.

Our Mission Study Institute was held January 28. Mrs. Clyde Connell, Mission Study Chairman, presided and Dr. Marian Hume of Wingate College taught.

The Y.W.A. Council held regular quarterly meetings during the year under the able direction of Mrs. C.H. Arrowood.

The Associational Girl's Auxiliary held its annual meeting at Benton's Cross Roads Church. Dr. Hume was guest speaker. Two hundred and thirty-five girls attended.

Perhaps one of the highlights of the year's activities was the Sunbeam Day Camp held at Wingate Baptist Church and Wingate College. Approximately seventy-five eight-year old Sunbeams and their counselors attended.

We are sincerely grateful to all who helped in planning and participated in the programs of these several meetings.

On Tuesday Evening, September 21, we held our Leadership Conference in preparation for the new year beginning in October. Rev. Frank Crumpler brought an inspirational message during the opening assembly period. Conferences for local officers and directors were conducted by the Associational Officers. Approximately two hundred ladies attended this workshop.

Our emphasis for the new year is A CHURCH FULFILLING ITS MISSION THROUGH PROCLAMATION AND WITNESS. We will seek to declare what God has done in and through Jesus Christ for the Salvation of man; "Having the everlasting gospel to preach unto them that dwell on the earth, and to every nation, and kindred, and tongue, and people." As we begin this new year in W.M.U., may our prayer be "O, for A Thousand Tongues to Sing my Great Redeemer's Praise."

Respectfully submitted,
Mrs. J. Howard Williams, President

MUSIC MINISTRY REPORT

Music is an integral part in our Worship Services, and it is a definite avenue through which people may be reached for Christ. It is the purpose and aim of our Associational Music Ministry to work closely with each church in the Association in making its local music ministry meaningful and effective in the life of the church.

The effectiveness of any Associational Activity depends upon the willingness of the local churches to share in this work. Those who serve in the music ministry stand ready to assist in any way possible in all the churches.

Our Association is greatly indebted to Mr. Oliver J. Yost who has been serving as director of music. Because of his acceptance of work at Gardner Webb College, Mr. Yost has gone from our midst. We greatly appreciate his leadership in this field during his ministry with us.

Our new director of music, Mr. John Vann Chaney, is willing to assist in any way to help in our music ministry. Call upon him if he can serve your church in any way during this year.

EVANGELISM REPORT

The theme adopted by the Southern Baptist Convention for the year 1966 is, "Proclamation and Witness." In our Association this theme actually begins October 1, 1965 with the new Associational Year.

The President of the Southern Baptist Convention, Dr. Wayne Dehoney, says: "The major issue facing us is whether the Southern Baptist Convention as the largest Protestant denomination, is going to accept it's role and launch the greatest evangelistic thrust in history." No informed child of God would argue with Dr. Dehoney about this being the "major issue" before us. The purpose of our theme for the year ahead is to help get us aimed and moving toward this objective.

The evangelistic thrust needed now waits not on new methods but on new men. Men and women who have been made new in Christ Jesus and are totally committed and surrendered to Jesus Christ in mind, body and soul.

The purpose of God in which He used His people (and the only purpose in which He uses them) is the evangelization of the world. Evangelization means "making disciples," "baptizing them," and "teaching them" to be obedient to Christ in "all things," He has commanded. Thus a person is not evangelized until he becomes an evangelist. Therefore, evangelism is to make disciples and "mature" them. This is God's purpose and plan for His people in the world.

In the Great Commission Jesus said, "Go," "teach" with the purpose of making disciples, "baptize" and "teach" them to be obedient to Christ in all things. The only imperative in all these mighty words of action is "to make disciples" or to teach with the purpose of making disciples. Thus Jesus puts soul-winning first in His total program with a definite command. In every church or Associational Program, soul-winning must be in the forefront of it's total program to be in the will of Christ. This order is the divine imperative. Any individual or church that changes this order is disobedient to Christ, and therefore cannot expect His empowering and blessing upon the efforts put forth.

Materials and programs are available for the churches from our denomination at the Baptist Book Store, or from the Division of Evangelism, Raleigh, North Carolina.

J.W. Digh, Chairman

GOOD GOVERNMENT REPORT

When we speak of good government, government of the people, by the people, and for the people, we should think in terms of men for office who are honest, both to God and to man. Men of high principles who will not lie, cheat and defraud the

people. Men of real honesty and with a zeal and determination to move forward in sincere efforts for the betterment of the people whom they serve.

In good government, those in authority should recognize the desires of the majority of the people and enact laws that will be fair to all concerned. The government should stand by the law-enforcement agency, so that every individual will have equal protection by the law. It is not good government when some are over run and sadly mistreated for the desires of other people, who have little or no respect for the law, and when the government fails to uphold the law-enforcement officers in their efforts to protect the people.

Those in authority should perform their duties according to the Word of God. "He that ruleth over men must be just, ruling in the fear of God." 11 Samuel 23:3. The Bible reminds us, that "Righteousness exalteth a nation." Proverbs 14:34.

Good government will strive to abolish the legalized sale of liquor for revenue. Hundreds of innocent people are killed and hundreds are crippled for life on our highways as a result of drunken drivers. Drinking costs the government much more that the revenue the government receives from its sales.

The Scripture reminds us to pray for those in authority, therefore, let us obey God and vote for the right man in order to get the right thing done.

RADIO AND TELEVISION REPORT

Jesus told his disciples to begin in Jerusalem, then go to other places in the world. Men, women, boys and girls are lost and undone, without hope of heaven. I am concerned about the lost that can be reached by radio and television. Twenty-five years of broadcasting the Good News of God's love is being observed by Southern Baptists' Radio and Television Commission this year.

THE BAPTIST HOUR, first "official" broadcast of the denomination, was begun on the afternoon of January 5, 1941, in the auditorium of the First Baptist Church, Shreveport, La. Dr. M.E. Dodd was the speaker.

From that beginning of a half-hour worship service broadcast 13 weeks a year, the Commission has advanced to the present 22 different radio and television programs each week.

In spite of the obstacles, the Radio-TV Commission has brought the Southern Baptist Convention to third place in the free world in the number of broadcasts and hours put out annually.

Radio Free Europe and the Voice of America are first and second. The Commission prepared and distributed 79,984 individual broadcasts in 1964 for a 27.2% increase over 1963. A total of 22 programs were produced and broadcast regularly last year, 13 in English and nine in other languages. This was four ahead of last year and a dozen more than in 1962.

In addition, there are the ever-increasing number of overseas stations which carry the TV series in Spanish, Portuguese, Japanese, Chinese and Thai. The major effort in audience building continues to be the use of direct mail. Last year the Commission mailed over a million and a half pieces of printed material. A new facet of the program of inquiry and counseling beginning next year will be a Radio Bible Correspondence Course--thought to be the first such course in America to offer Seminary credit.

As we labor together in the Kingdom work through radio and television, or any other medium that we can put to work for Jesus, remember to pray for the radio pastors that minister to the sick, shutins and the unchurched.

CHRISTIAN EDUCATION REPORT

Last year our colleges enrolled 14,395 students. Of these, 500 are volunteers for full-time Christian service. In addition to producing these trained Christian vocational workers, hundreds of graduates of the North Carolina Baptist colleges return to the local communities to become active leaders in church and civic affairs. Moreover, college faculties, adminstrators, and students render valuable services to our churches by filling pulpits, teaching study courses, and assisting in the development of stewardship, missions, and evangelism.

The Christian Education Day offers both an opportunity to learn about the colleges and a chance to increase financial support through the special offering. In 1966 the Christian Education Day theme will center around the contribution of Baptist Colleges to denominational leadership. The North Carolina Baptist Colleges will join hands with the General Board and other institutions and agencies of our Convention in promoting a new five-year program of advance, which is expected to be presented by Dr. Perry Crouch at the November Convention.

REPORT ON CONSTITUTION AND BY-LAWS COMMITTEE

Your committee on Constitution and By-Laws is charged by the Constitution of our Association "to make a continual study of the constitution and by-laws and recommend any necessary changes."

Your committee feels that there are several points at which the constitution is vague and could possibly to improved. However, such an important document should not be radically changed until serious study and attention could be given.

Therefore, the committee makes the following recommendations to the Association:

1.- That Article XII- Parlimentary Procedure be amended by substituting the words "according to Roberts Rules of Order" for the words "according to Kerfoot's Parliamentary Law."

This would give us the same rules of order that our Convention uses.

2.- That during the 1965-1966 Associational Year the Constitution and By-Laws committee engage in a serious study of our present constitution, as well as the constitution of other associations, with the view of preparing a more detailed and up-to-date document. The committee would be expected to report its progress at the meetings of the Executive Committee as well as at the next Annual Meeting of the Association in 1966. Such a schedule would make it possible for action to be taken on a possible new constitution in the 1967 Annual Meeting of the Association.

REPORT ON BAPTIST HOSPITAL

More than 35,000 sick people were seen in the clinics of our Baptist Medical Center in Winston-Salem last year, and more than 19,000 were hospitalized for bed care. These sick people came from all sections of our state, out of all kinds of financial circumstances, and with almost every type of serious disease and sickness known to man. Most of them were sent by their local doctors, because they had problems which were difficult to diagnosis or treat, and needed specialized facilities and skills such as those found at our Baptist Hospital.

In addition to the sick people who were served, there were more than 700 persons in training in the various fields of medical care and Christian service. These students were studying in ten different schools, and in other fields of training in our Medical Center, and will go out to serve as physicians, nurses, technicians, pastors and other Christian workers, in our communities and churches throughout North Carolina and on our mission fields around the world. These schools offer excellent opportunities, and they are interested in qualified Baptist young people who wish to invest their lives in useful service to their fellow man and in the Kingdom of God.

The ministry of our hospital to people who are seriously ill and in meager circumstances lies at the very heart of its total work. All of our Mother's Day Offerings are used for this purpose; when the doctors have given their skilled services without charge to these patients, and the money available from all other sources is added, every dollar we give is multiplied nine times over in free service to those who need help.

It is a high privilege for us in our churches to minister in the name of the Great Physician, through our hospital, to these multitudes who are sick. It will be a welcome voice when the King shall come in His glory and we can hear Him say: "Come, ye blessed of my Father; for I was sick, and ye visited me."

George L. Broome, Chairman

BAPTIST CHILDREN'S HOMES REPORT

The care of dependent, neglected and homeless children is the central mission of the Baptist Children's Homes of North Carolina. In addition to providing care for children it is the purpose of the Homes to join hands with other Christian forces to strengthen wholesome, Christian family life throughout the state. Our people have supported this ministry in a most generous and commendable way.

Our Homes are serving as many people who need our help as possible. They are dependent upon North Carolina Baptists for support. Every gift, however small or large, is appreciated and is used for the purpose for which it is given. Income through the Cooperative Program is becoming increasingly important.

The Thanksgiving Offering of last year is approaching three hundred ten thousand dollars ($310,000.00) and is the largest ever given. This suggests that our people welcome an opportunity to support the "helping ministries" of the church which are close to the heart of our Lord.

Two estates have made possible two very fine buildings which have just been completed on the Mills Home Campus. Income from the estate of Mr. and Mrs. Leland J. Sadler of Anderson, South Carolina, was used to build a library. An addition to the church was financed from the estate of Robert M. Idol and Lela Idol of Winston Salem. These buildings will fill a most useful purpose in the educational and religious life of the Mills Home family.

There is a growing need for good Christian foster homes in which children needing this kind of care can live. Many families are finding much happiness and a great opportunity for service in caring for foster children. Thus, many boys and girls

are privileged to grow up in Christian homes who otherwise would not have this opportunity. Should you have an "extra measure of love" to share in this way the Homes would like to know of your interest.

The need for a home in the western part of the state, more adequately to serve the people west of the Blue Ridge Mountains, has been discussed in various meetings and conferences. The possibility of such a home is meeting with genuine interest and enthusiasm. Attention is currently being given to a suitable location.

Members of the Board of Trustees and members of the staff of the Children's Homes are committed to the task of maintaining a Christian program of child care - a program that will merit the undivided support and loyalty of our people and that will bring honor to our Lord. To that end it is our purpose to meet, as effectively as possible, the challenges of our day.

Respectfully submitted,
B.V. Broadway, Chairman

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

Some weeks ago I received a letter from our General Superintendent, Rev. William H. Poole, of North Carolina Baptist Homes. Along with this letter he sent a report of North Carolina Baptist Homes for the Aging.

It is the hope and prayer of this committee that each church in the Union Association will present the cause for the Aging and receive a Special Day Offering on the 3rd Sunday in February.

The following was prepared by Mr. Poole:

The day that North Carolina Baptists launched a ministry to the aging fourteen years ago was a good day indeed. Since that time four Homes for the Aging have come into being, and a fifth one is in the making. Many elderly people have been blessed by this compassionate ministry through the years, and today 160 people are in residence at Resthaven, and the Hayes Home in Winston-Salem, the Albemarle Home in Albemarle, and the Hamilton Home in Hamilton. When the proposed new Home at Yanceyville is completed, there will be capacity for 200. It is anticipated that construction will begin on the Yanceyville Home during 1965.

This labor of Christian love and nurture is ours together, and we could not operate without the concern, the prayers, and the financial support of our Baptist People. This financial aid from the churches comes to us through two very vital avenues - the Special Day Offering, received on the third Sunday of February each year, and the Cooperative Program. Special Day Offering receipts for 1964 were at an all-time high and exceeded $96,000.00. Through these gifts we were able to supplement from 80% to 90% of our needy residents who could not be with us otherwise.

It is urgently hoped that the Special Day Offering for 1965 will be the greatest ever, especially in view of the pressing and ever-increasing needs of the aging in our midst who seek our help. The waiting list now is 175 and grows almost daily.

As the great heart of the Saviour yearns for all in the various areas of human need, we are grateful that He has commissioned us to include also a special ministry to the aged among us. We have responded to His plea, we are giving an answer to Him for these elderly people who are very dear to Him, and we pray that every church in our State Baptist Convention will be very careful to give increasing emphasis to this vital ministry.

Respectfully submitted,
C.E. Baker, Chairman

CHRISTIAN LITERATURE REPORT

Baptist people are trying to minister to and meet the spiritual needs of people through a number of ways - witnessing, worship, Bible study, training, the activities of the Woman's Missionary Union and Baptist Brotherhood.

As we think of the media of service provided by our denomination, perhaps nothing is more important that the inspiration and the information provided by Christian literature. The printed page is powerful; its influence is universal. Baptists, therefore, have compelling reasons for securing and reading Christian literature, especially from our own presses. The aim of it all is to promote Bible study, to build Christian Character, and to inform, enlist, indoctrinate, inspire and unify our people in all the great work the Lord has committed to us. Never before have Baptists had such opportunities as today to magnify and promote the Lord's work through vital Christian literature.

The most important publication that we have in the field of Christian literature is the Bible. In addition to the Bible we have many other very wholesome books written by Christian people in the interpretation of the Scriptures and dealing with the Christian principles of life. We have, also, the Sunday School and Training Union periodicals prepared for all ages provided by our Sunday School Board through our churches. The Board also provides the "Home Life Magazine," which should be in every Baptist home; it is an answer to a critical need, and is proving to be a blessing to thousands of people.

Other periodicals are the publications of the Woman's Missionary Union for women and girls and the publications of the Baptist Brotherhood for men and boys.

Baptists are kept informed about the spiritual needs of the world and the ways in which we as a denomination are attempting to meet those needs by reading "Home Missions," published monthly by the Home Mission Board, and "The Commission," published monthly by the Foreign Mission Board.

We have two very fine weekly publications which are published in our state, the "Charity and Children," and the "Biblical Recorder." These weekly papers cover all phases of our Baptist work and should be in every Baptist home. Presently the "Charity and Children" has approximately 55,000 subscribers. Our churches can receive it in bundle form for $5.00 per month for one hundred copies. Individual subscriptions are $1.00 per year. The "Biblical Recorder" has a weekly circulation of almost 85,000. Total subscriptions in the Union Association are 1,390. Nine of our churches provide the "Recorder" for every family through the church budget. Seventeen others have Recorder Clubs. The "Recorder" is mailed to each subscriber and can be had through one of three plans: individual subscriptions at $3.00 per year, club at $2.50, or church budget plan at $2.00.

Let us take advantage of the Christian literature that is available. "Study to show thyself approved unto God ... "

ANNUITY BOARD REPORT

THE LIFE BENEFIT PLAN:

The Life Benefit Plan was inaugurated on October 1, 1964 to meet the need for supplemental life protection for our pastors and denominational employees, and has already achieved phenominal success with more than ten thousand active participants. It affords protection ranging from ten to thirty thousand dollars for death under age 46 with graduated benefits thereafter for dues of $3.34 to $10.00 per month. It is still open for membership.

THE HEALTH BENEFIT PLAN:

The health benefit plan is an all-inclusive program of hospital, surgical and major-medical protection which is now being offered. The target date for the beginning of this plan is October 1, 1965. Five thousand applications are required by September 1 in order to put this program into effect. We rejoice in the assurance that this minimum number of applications has been received, and this plan will become effective on schedule.

BENEFITS PAID - "MANNA FROM HEAVEN"

It has been said by many annuitants that the checks which come from the Annuity Board each month are like "Manna from Heaven." These checks vary in size, depending upon the length of time one was a member and the amount of dues paid.

Since the beginning of the Annuity Board in 1918, almost 47 million dollars have been paid in relief and annuity benefits to the men and women of God who serve Southern Baptists. In 1964 alone, 3-1/2 million was paid out to ministers and denominational workers or their families.

Today more than 16,352 churches are in the Protection Program for their pastors. Approximately 10,000 of these churches are paying the total 10% dues.

There are now 127 of the 176 educational institutions, hospitals, children's homes, homes for the aged and other southwide agencies protected by one of the Annuity Board programs. This means more than 25,000 members are in the Annuity Board's retirement plans.

There are seven states with 70% or more of the churches in the plan. At the present time North Carolina has 46% of the churches in the Protection Program for ministers. Union Association has 23 churches participating.

THE COOPERATIVE PROGRAM

With the dawning of the 40th Anniversary of the founding of the Cooperative Program, a new note of optimism and Missionary Advance is perceptible among Baptists!

It is now a well-accepted fact that the Cooperative Program of World Missions is the foundation for our total missionary endeavor ... that of preaching, teaching, and healing in the name of Christ at home and abroad.

Even as we presently support the work of 2,000 foreign missionaries, 2,500 home missionaries, and more than 100 missionaries in North Carolina, Dr. Baker James Cauthen, Secretary of the Southern Baptist Convention Foreign Mission Board, has challenged us to send out 5,000 foreign missionaries in the years immediately ahead! This will mean greater sacrifice and greatly increased giving on the part of Baptists everywhere. The Cooperative Program has given significant support to every state and Conventionwide cause ... during the last sixteen years it has provided more than $100,000,000 for the Foreign Mission Program of Southern Baptists. Truly, it is the 'life-line' of our total cooperative witness and service.

We are witnessing our greatest advance in history with 52.2% of the Southwide Cooperative Program dollar being allocated to Foreign Missions.

However, the precentage of giving outside of our local churches has declined from 23.78% in 1946 to 14.93% in 1964. If we had continued the same percentage of giving to denominational causes, we would have given $14.530.000 in 1964 instead of $8,976,000.

According to available records Union Association during the past year gave a total of $43,253.00 through the Cooperative Program. 4 churches did not share in world missions through the Cooperative Program.* Let us determine NOW to be faithful in worship with tithes and offerings and share regularly through the Cooperative Program.

ORDINATIONS ADVISORY COUNCIL REPORT

The council met January 5, 1965, at the residence of the Rev. R.A. Frye, 519 Engleside Avenue, to examine Mr. Charles F. Broome, to determine his qualifications and preparation for ordination to the pastoral ministry.

The following members of the council were present: The Reverends N.S. Joyner, Chairman, L.E. Bookout, Glenn Rushing, T.A. Sheppard, and H.R. Orr. Rev. Claude H. Hamby, Association Field Worker, and Rev. Robert A. Frye, Pastor at Sutton Park Church were present also.

Ordination for Mr. Broome was requested by Oakdale Baptist Church, Anson Association, asking Sutton Park Baptist Church, Monroe, N.C. to ordain him.

Rev. L.E. Bookout led the council in questioning Mr. Broome. He was examined thoroughly concerning his conversion experience, his Christian growth and service, his call and preparation to enter the pastoral ministry. He was then quizzed as to his knowledge of the following Baptist doctrines: God; Jesus Christ; The Holy Spirit; Repentance; Faith; Salvation; The Church; Baptism; and the Lord's Supper. Other various questions were asked him concerning the Christian faith, life, and the pastoral ministry.

The council voted unanimously to approve Mr. Broome and to recommend his

ordination. Rev. Glenn Rushing made the motion, with Rev. H.R. Orr seconding the motion.

The ordination service was held on Sunday, January 24, 1965 at Sutton Park Baptist Church. Several members from the Oakdale Church were present for the service.

*The Baptists of this Association came directly from the efforts of the early Christian workers of Wales and England. Their first settlements were in Old Welsh Neck section in South Carolina and Old Sandy Creek section in Chatham County. Union County Baptists came from the Old Welsh Neck Section. The Welsh Neck Baptist Church was organized in 1738. In 1793 Lanes Creek Church was organized about two miles West of Philadelphia Church. This Church was the stock of the Welsh Neck Church. The churches that came out of the Welsh Neck Church organized into the Moriah Association in 1815. For convenience of the North Carolina side of the Moriah Association, the Brown Creek Association was formed in 1854. In 1885 the name of Union Association occurred.
